Dear All

Proposed acquisition of the entire issued share capital of Cykel AI PLC (the Target) by Mustang Energy PLC (the Bidder)

I refer to the proposed acquisition of the entire issued and to be issued share capital of the Target by the Bidder (the **Acquisition**) substantially on the terms and subject to the conditions contained in the draft press announcement (the **Press Announcement**) attached to this undertaking (which may be amended as agreed between the Bidder's advisers and the Target's advisers and as may be required to comply with the City Code on Takeovers and Mergers (the **Takeover Code**) and/or the requirements of the Panel on Takeovers and Mergers (the **Panel**), the Financial Conduct Authority, the Aquis Stock Exchange Limited or the London Stock Exchange or any other applicable law or regulation). I understand that the Acquisition is expected to be implemented by way of a Scheme (as defined below) but that the Bidder has the right to elect to implement the Acquisition by means of a Takeover Offer (as defined below).

I understand that the consideration for (i) the shareholders in the Target will be the issue of new ordinary shares in the Bidder (the **Consideration Shares**), and (ii) the warrantholders in the Target will be the issue of new warrants over shares in the Bidder (the **New Bidder Warrants**). In order to allot and issue the Consideration Shares and issue the New Bidder Warrants, certain shareholder resolutions of the existing shareholders of the Bidder (the **Bidder Shareholders**) are required to be passed by the requisite majorities of the Bidder Shareholders at a general meeting of the Bidder (the **General Meeting**) to be convened pursuant to a notice of general meeting contained in a circular substantially on the terms attached to the this undertaking and to be sent to the Bidder Shareholders after the date of the Press Announcement (the **Circular**).

For the purposes of this undertaking:

the **Acquisition** shall:

(a) mean the proposed acquisition by or on behalf of the Bidder with the recommendation of the board of the Target of the issued and to be issued ordinary share capital of the Target not already owned or agreed to be acquired by the Bidder, whether implemented by way of a scheme of arrangement pursuant to Part 26 of the Companies Act 2006 (the **Companies**

Act) (referred to in this undertaking as a **Scheme**) or contractual takeover offer (within the meaning of section 974 of the Companies Act) (a **Takeover Offer**); and

(b) include any new, revised, improved or increased offer to that in paragraph (a) above which may be made by or on behalf of the Bidder from time to time.

Shares shall mean:

(a) the Existing Shares (as defined in paragraph 1.1 below);

(b) any shares in the Bidder of which I may become the registered holder or beneficial owner or in respect of which I may otherwise become entitled to exercise all rights/interests after the date of this letter or otherwise; and

(c) any other shares or securities of the Bidder attributable to or derived from any shares referred to in paragraphs (a) or (b**)** above.

Irrevocable undertakings

1. I hereby irrevocably and unconditionally undertake, confirm, warrant and represent and agree with the Bidder in the following terms:

1.1 I am the registered holder and/or beneficial owner of (or otherwise able to control the exercise of all rights attaching to, including the voting rights and the ability to procure the transfer of) the ordinary shares of 0.1 penny each in the capital of the Bidder as specified in Part 1 of Schedule 1 (the **Existing Shares**);

1.2 Schedule 1 contains full and accurate details of all my Shares and, other than as set out in this paragraph 1, I do not have any other interest in any securities of the Bidder or any right to subscribe for, purchase or otherwise acquire any such interest;

1.3 In the case of any Existing Shares of which I am or become the beneficial owner (but not the registered holder) and all other securities which may be allotted in respect of, or which are attributable to or derived from the Existing Shares, I undertake to procure that the registered holder(s) will comply with the terms of this undertaking as if it were also party to it;

1.4 I have the full power and authority and the right (free from any legal or other restrictions), and neither I nor the registered holder of any Shares (where applicable) will take any action which would cause me to cease having all relevant power and authority and the right, to enter into and perform the obligations in this undertaking in accordance with their terms;

1.5 To the extent that any of the Shares are not registered in my name, I will procure that the registered holder/s of the Shares take all such action as shall be necessary for the terms of this undertaking to be complied with in full;

1.6 I shall or, where applicable, will procure that the registered holder of the Shares will, in person or by proxy, cast all votes (whether on a show of hands or a poll) in relation to the Shares at any relevant general meetings of the Bidder Shareholders (including any adjournment thereof), including but not limited to the General Meeting):

1.6.1 in favour of the resolutions to approve and implement the Acquisition together with any other resolutions to approve any related matters set out in the Circular, in particular resolutions 3 to 11 (inclusive) as set out in the Circular, in each case whether or not amended (the **Resolutions**). I confirm that I am an Independent Shareholder (as defined in the Circular) and therefore I am able to vote in relation to the Rule 9 Waiver (as defined in the Circular);

1.6.2 in favour of any resolution calling for a poll on the Resolutions, if the Resolutions are defeated on a show of hands;

1.6.3 unless the Bidder directs otherwise, against any resolution (whether or not amended) or any proposal to adjourn any such meeting or which (if passed) are reasonably likely to result in any condition of the Acquisition not being fulfilled or which are reasonably likely to delay, impede or frustrate the Acquisition in any way; and

1.6.4 at the written request of the Bidder, to join in requisitioning the convening of any general meetings of the Bidder Shareholders (including any adjournment thereof) for the purpose of passing any resolution referred to in paragraph 1.6.1 or rejecting any resolution referred to in paragraph 1.6.3;

1.7 I shall, after the posting of the Circular (and without prejudice to my right to attend and vote in person at any meeting), return or procure the return of the signed forms of proxy enclosed with the Circular (completed and signed and appointing the chair to vote in favour of the Resolutions) in accordance with the instructions printed on such forms of proxy, as soon as possible and in any event within seven days after the posting of the Circular, or in respect of any Shares subsequently issued to me, within five business days of such issue, and agree not to revoke or withdraw the forms of proxy once they have been submitted in accordance with this paragraph 1.7.

1.8 Without prejudice to paragraph 1.7, for the purpose of voting on any other resolution referred to in paragraph 1.6, I shall as soon as reasonably practicable after any written request by the Bidder (and without prejudice to my right to attend and vote in person at any meeting), return or procure the return of any forms of proxy (completed and signed and appointing the chair as proxy to vote as required pursuant to this paragraph 1.8) in accordance with the instructions printed on such forms of proxy, or in respect of any Shares subsequently issued to me, within five business days of such issue, and agree not to revoke or withdraw the forms of proxy once they have been submitted in accordance with this paragraph 1.8.

1.9 Before this undertaking lapses in accordance with paragraph 5, I will not and will procure that no other person shall:

1.9.1 sell, transfer, charge, encumber, grant any option over or otherwise dispose of all or any of the Shares or any interest therein;

1.9.2 accept any other offer in respect of all or any of the Shares, whether conditionally or unconditionally (by whatever means the same is to be implemented);

1.9.3 withdraw any form of proxy referred to in paragraph 1.6 in respect of all or any of the Shares;

1.9.4 acquire any further interests in or otherwise deal in any securities of the Target or the Bidder or any interest therein (including any derivatives referenced to such securities);

1.9.5 at any time after the Press Announcement, exercise the voting rights attaching to the Shares in any manner which might reasonably be expected to impede or frustrate the Acquisition or prevent a condition to the Acquisition from being satisfied in a material way or which would otherwise impact adversely on the success of the Acquisition; or

1.9.6 enter into any agreement or arrangement or permit any agreement or arrangement to be entered into or incur any obligation or permit any obligation to arise, whether conditional or unconditional, to do any act referred to in this paragraph 1.9;

1.9.7 convene any meeting of the members of the Bidder in my capacity as a shareholder, or exercise or permit the exercise of the voting rights attaching to the Shares that I hold at the date of the General Meeting in any manner which would or might frustrate the passing of the Resolutions; nor

1.9.8 at any time from the date of this deed until the later of such time as the vote upon the Resolutions shall have been taken or the proposal to put such Resolutions to vote has been abandoned, fetter or permit to be fettered any of the voting rights attaching to the Shares that I hold as at the date of the General Meeting.

1.10 I have been given an adequate opportunity to consider whether or not to execute this undertaking and to obtain independent legal advice.

2. I consent to the issue of the Press Announcement in the terms attached or amended as specified above. I understand that, in accordance with the Takeover Code, particulars of this undertaking will be contained in the Circular and the Scheme Document (or the Offer Document, as appropriate) (Scheme Document and Offer Document as defined in the Circular) and also that a copy of this undertaking may be disclosed to the Panel and will be available for inspection on the Bidder's and the Target's website during the period in which the offer is open for acceptance (or, in the case of a Scheme, until its effective date). I will supply promptly all information, including details of my interests and dealings in securities of the Bidder and the Target and those of any connected persons, as may be required for the Scheme Document (or the Offer Document, as appropriate), and will promptly notify the Bidder of any changes in such information. I undertake that I shall maintain appropriate secrecy about the possibility and details (including the terms and conditions) of the Acquisition and the existence and terms of this undertaking prior to the Press Announcement.

3. Without prejudice to paragraph 1 above, I agree that if I become aware that I will not be able to comply with the terms of this undertaking, or I no longer intend to do so, that I shall promptly notify the Bidder and the Target of the up-to-date position.

No obligation to proceed with the Acquisition

4. I acknowledge that the release of the Press Announcement is at the Bidder's absolute discretion and that the Bidder shall not be required to announce or (subject to the stipulations of the Panel) proceed with the Acquisition.

Lapse of undertaking

5. This undertaking shall lapse and I shall cease to be bound by the obligations in this undertaking if:

5.1 the Bidder announces, with the consent of the Panel, that it does not intend to proceed with the Acquisition and no new, revised or replacement offer is announced by the Bidder in accordance with Rule 2.7 of the Takeover Code at the same time;

5.2 the Press Announcement is not released by 5 p.m. on 15 May 2024 (or such later time and date as the Bidder and the Target may agree);

5.3 the Circular is not released by 5 p.m. on 30 May 2024;

5.4 the Scheme Document (or Offer Document, as applicable) is not published within 28 days of the date of issue of the Press Announcement or such later time as may be agreed by the Panel. If the Bidder elects in the Press Announcement to

implement the Acquisition by way of a Scheme and subsequently elects to implement the Acquisition by way of a Takeover Offer this paragraph 5.4 shall automatically be extended so that termination will occur if an Offer Document is not posted within 28 days of the date of the press announcement advising that the Acquisition is to be structured as a Takeover Offer as opposed to a Scheme or such later time as may be agreed by the Panel;

5.5 if the Acquisition is structured as a Scheme, the Scheme has not become effective by 5 p.m. on 30 June 2024 (or such later time and date as the Bidder and the Target may agree with the approval of the Court and/or the Panel if required);

5.6 any competing offer for the entire issued and to be issued share capital of the Target is declared unconditional or any competing scheme of arrangement in respect of the Target becomes effective in accordance with its terms;

5.7 the Acquisition lapses or is withdrawn and no new, revised or replacement offer or scheme has then been announced in its place in accordance with Rule 2.7 of the Takeover Code, or is announced by the Bidder in accordance with Rule 2.7 of the Takeover Code within five business days; or

5.8 the Resolutions have been duly passed by the requisite majorities of Bidder Shareholders at the General Meeting.

Power of attorney

6. In order to secure the performance of my obligations under this undertaking, I hereby irrevocably appoint the Bidder (with power to delegate the performance of its powers and rights under this appointment (other than this power of delegation) to any director for the time being of the Bidder) to be my attorney in my name and on my behalf to execute and deliver any form or forms of proxy and/or such other documents, and to do such other acts and things as may be necessary for, or incidental to, the performance of my obligations under this undertaking and I declare that this power of attorney shall be irrevocable in accordance with section 4 of the Powers of Attorney Act 1971 provided however that such appointment shall not take effect until the expiry of seven days from the date of despatch of the Circular and only then if I shall have failed to comply with my obligations in this undertaking.

Confidentiality

7. I understand that the information the Bidder has given to me in relation to the Bidder, the Target and the Acquisition must be kept confidential until the Press Announcement is released or the information has otherwise become generally available. Before this time I will not use any such information as a base for my behaviour in relation to the securities of either the Bidder or the Target which would amount to market abuse for the purposes of the UK version of the EU Market Abuse Regulation (2014/596/EU) which is part of UK law by virtue of the European Union (Withdrawal) Act 2018.

8. I acknowledge that the matters referred to in this undertaking constitute inside information for the purposes of the Criminal Justice Act 1993 and the Financial Services and Markets Act 2000 and consent to receiving it.

Takeover Code

9. Nothing in this undertaking shall constitute an obligation on me, in my capacity as a director of the Target, to take any action which is not permitted by Practice Statement No 29 issued by the Panel with respect to Rule 21.2 of the Takeover Code.

Time of essence

10. Time shall be of the essence as regards any time, date or period mentioned in this undertaking or extended by mutual agreement. Without prejudice to any other rights or remedies of the Bidder, I agree that, if I fail to perform my obligations in accordance with this

undertaking or breach any of my obligations, damages would not be an adequate remedy and accordingly the Bidder shall be entitled to the remedy of specific performance or any other equitable relief.

Rights of third parties

11. No term of this letter is enforceable under the Contracts (Rights of Third Parties) Act 1999 by a person who is not party to it.

Jurisdiction and governing law

12. This undertaking shall be governed by and construed in accordance with English law and I hereby irrevocably submit to the exclusive jurisdiction of the English courts as regards any claim or matter arising in relation to this undertaking (including a dispute relation to any non-contractual obligations arising out of or in connection with this undertaking).

This undertaking has been executed as a **DEED** and is delivered on the date shown above.

RECOMMENDED ALL SHARE OFFER

FOR

CYKEL AI PLC

BY

MUSTANG ENERGY PLC

to be implemented by means of a scheme of arrangement

under Part 26 of the Companies Act 2006

Summary

- The boards of Mustang Energy Plc ("Mustang") and Cykel AI Plc ("Cykel") are pleased to announce that they have reached agreement on the terms of a recommended all share offer to be made by Mustang to acquire the entire issued and to be issued ordinary share capital of Cykel (the "Offer" or the "Acquisition"). It is intended that the Acquisition be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the "Scheme") between Cykel and Cykel Shareholders (or, if Mustang so elects, with the consent of the Panel, a Takeover Offer).

- Under the terms of the Acquisition, each Cykel Shareholder will be entitled to receive:

1.911 New Mustang Shares in exchange for each 1 Cykel Share

Based on this exchange ratio ("Exchange Ratio") and a valuation of £1 million for the current entire issued share capital of Mustang, the Acquisition implies an offer value of 9.37 pence per Scheme Share and values the entire issued ordinary share capital of Cykel at approximately £19.22 million.

On this basis, the Acquisition represents:

- A premium of approximately 1.30% to the Closing Price of 9.25 pence per Cykel Share on 17 January 2024 (being the last Business Day prior to the suspension of trading in Cykel Shares); and
- A discount of approximately 3.20% to the three-month (less one week) VWAP of 9.68 pence per Cykel Share on 17 January 2024 (being the last Business Day prior to the suspension of trading in Cykel Shares).

Background to and reasons for the Acquisition

The Cykel Board and the Mustang Board believe that there is a compelling strategic and financial rationale for the Acquisition which will benefit the shareholders, clients, commercial counterparties and other stakeholders of the Combined Group.

Cykel was incorporated on 22 August 2023 and was admitted to trading on the Access segment of the Aquis Stock Exchange Growth Market on 25 October 2023. Trading in the Cykel Shares was suspended on 18 January 2024 due to the transformational nature of the Acquisition.

Cykel is an early stage company that intends to grow quickly through the operation of a software business engaged in the development of advanced artificial intelligence (AI) products, aiming to offer these to consumers through a "software as a service" (SaaS) model.

The rise of potent Natural Language Processing (NLP) text generators, exemplified by OpenAI's "GPT-4", will serve as a catalyst for the widespread adoption of AI-driven business applications. As NLP-based text generators gain mainstream prominence, Cykel anticipates organisations embracing specialised "value add" applications that augment their business operations. This strategic orientation underscores Cykel's expectation of a burgeoning market for business applications propelled by the maturation of NLP technology.

Cykel has developed an AI-Powered Task Operating System as a Google Chrome extension. This core software, including all front and back-end coding, integration work with third party providers, and publishing of Cykel's extension was completed in Q4 2023. Cykel's AI-Powered Task Operating System (Task OS) is designed to bring AI capabilities to the world of task management, providing users with a platform for streamlined workflows, intelligent task prioritisation and cross-platform integration.

Mustang was formed to undertake an acquisition of a target company, business or asset(s) with operations in the energy or natural resources sectors. As a result of the global COVID-19 pandemic, Mustang announced that it would expand its search for appropriate acquisition targets to the entire value chain of the energy industry and would also consider potential acquisitions outside of the energy and natural resources industries.

The Combined Group intends to expand in the following areas:

- B2B Sales: Cykel intends to market directly to B2B companies and expand its marketing in the UK, Europe and North America. The goal is to grow a client base materially in 2024 based on the successful launch of the product in Q1 2024.

- Partnerships: Cykel intends to market through partnerships with organisations that are selling to the B2B software market.

- Technology: Cykel intends to offer more software features as it expands its client base. The technology roadmap will be driven primarily by user feedback from both customers and project partners.

Cykel's AI software aims to be available on a "freemium" basis. As such, the basic usage tier will be free, but Software as a Service fees will be incurred over a certain amount of requests per month.

The Cykel Directors and the Mustang Directors believe that the Combined Group's admission to the Main Market will not only enable greater liquidity of the Combined Group's shares, but also will enhance the Combined Group's corporate profile, which would in turn enhance the Combined Group in its market perception, contracting with third parties and attracting talent.

The Acquisition would allow the Cykel Shareholders to exchange their Cykel Shares for New Mustang Shares, being shares in the Combined Group. Upon completion of the Acquisition, the Combined Group will be admitted to the Main Market. The Cykel Directors believe that the Cykel Shareholders will achieve greater liquidity by holding shares in the Combined Group, rather than in Cykel alone. The Acquisition is an opportunity to achieve an admission to listing on the Official List and trading on the Main Market earlier than the Cykel Directors initially expected.

Commenting on today's announcement, Alan Broome, Chairman of Mustang, said:

"The Acquisition presents an exciting opportunity for Mustang shareholders to engage in the burgeoning growth of a dynamic, young company. Cykel's innovative AI-Powered Task Operating System stands poised to revolutionise organisational efficiency, automating repetitive tasks and furnishing invaluable data-driven insights for strategic decision-making. We firmly believe this Acquisition aligns with our strategic objectives and offers compelling financial prospects for our shareholders."

Commenting on today's announcement, Jonathan Bixby, Executive Chairman of Cykel, said:

We are very excited about the prospects of trading on the London Stock Exchange. The field of Artificial Intelligence is one of the most exciting technology trends in the world and allowing more investors access to this trend is a positive outcome for Cykel and our shareholders.

Mustang recommendation

- The Mustang Directors, who have been so advised by Guild Financial as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Mustang Directors, Guild has taken into account the commercial assessments of the Company Directors. Capital Plus Partners is providing independent financial advice to the Cykel Directors for the purpose of Rule 3 of the Takeover Code.

- Accordingly, the Cykel Directors believe that the Acquisition is in the best interests of Cykel Shareholders as a whole and recommend unanimously that Cykel Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and the Resolution to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer), as all the Cykel Directors holding Cykel Shares have irrevocably undertaken to do in respect of their own beneficial holdings of 53,500,000 Cykel Shares (representing, in aggregate, approximately 26.07% of the Cykel Shares in issue as at the Latest Practicable Date).

Irrevocable undertakings

- As set out above, Mustang has received irrevocable undertakings from the Cykel Directors in respect of their own beneficial holdings of 53,500,000 Cykel Shares, representing approximately 26.07% of the Cykel Shares in issue as at the Latest Practicable Date.

- Mustang has also received irrevocable undertakings from certain other Cykel Shareholders to vote or procure votes in favour of the Scheme at the Court Meeting and the Resolution to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of 58,500,000 Cykel Shares, representing approximately 28.51% of the Cykel Shares in issue as at the Latest Practicable Date.

- In aggregate, Mustang has received irrevocable undertakings from the Cykel Directors and certain other Cykel Shareholders to vote or procure votes in favour of the Scheme at the Court Meeting and the Resolution to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of a total of 112,000,000 Cykel Shares, representing, in aggregate, approximately 54.58% of the Cykel Shares in issue as at the Latest Practicable Date. These undertakings will remain binding in the event of a competing offer being made.

- In addition to the irrevocable undertakings noted above, Mustang has received irrevocable undertakings to vote or procure the vote in favour of the Mustang Resolutions required for the issue of the New Mustang Shares to the Cykel Shareholders. These undertakings have been received from the Mustang Directors in respect of a total of 2,450,000 Mustang Shares, representing 20.14% of the Mustang Shares in issue as at the Latest Practicable Date and from the Mustang Shareholders in respect of a total of 2,721,600 Mustang Shares, representing 22.38% of the Mustang Shares in issue as at the Latest Practicable Date. The combined total is therefore in respect of 5,171,600 shares, representing 42.52% of the Mustang Shares in issue as at the Latest Practicable Date.

- Full details of the irrevocable undertakings received by Mustang are set out in Appendix 3 to this announcement.

Timetable and conditions

- The Acquisition will be implemented by way of the Scheme (or if Mustang so elects and with the consent of the Panel, a Takeover Offer).

- The purpose of the Scheme is to provide for Mustang to become the owner of the entire issued and to be issued ordinary share capital of Cykel. This is to be achieved by transferring the Scheme Shares held by Scheme Shareholders to Mustang, in consideration for which Mustang will allot and issue the New Mustang Shares to the Scheme Shareholders on the basis of 1.911 New Mustang Shares for each 1 Cykel Share.

- In order to allot and issue the New Mustang Shares, Mustang is required to publish the Prospectus and seek the approval of the Mustang Shareholders of the Mustang Resolutions at the Mustang General Meeting. The Acquisition is accordingly conditional on the approval of the Mustang Shareholders of the Mustang Resolutions.

- The Scheme will be put to Scheme Shareholders at the Court Meeting and to the Cykel Shareholders at the General Meeting. In order to become Effective, the Scheme must be approved by a majority in number of the Scheme Shareholders voting at the Court Meeting, either in person or by proxy, representing at least 75% in value of the Scheme Shares voted. In addition, the implementation of the Scheme must also be approved by Cykel Shareholders at the General Meeting.

- The Acquisition will be on the terms and subject to the Conditions and certain further terms set out in Appendix 1 to this announcement, including, among other things: (a) the Admission Condition having been satisfied; (b) the approval of the Mustang Resolutions by the Mustang Shareholders at the Mustang General Meeting; (c) the approval of Scheme Shareholders at the Court Meeting and the passing of the Resolution by the Cykel Shareholders at the General Meeting; (d) the sanction of the Scheme by the Court; and (e) the Scheme becoming Effective no later than the Long Stop Date.

- The Scheme Document will include full details of the Scheme, together with an explanatory statement providing details of the Offer, and the notices convening the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable of the Acquisition and will specify the necessary actions to be taken by Cykel Shareholders. The Scheme Document will be sent to Cykel Shareholders within 28 days of the date of this announcement (or such later date as Cykel, Mustang and the Panel agree).

- Mustang expects to send the Mustang Circular and the Prospectus to Mustang Shareholders on or around the date of the Scheme Document, summarising the background to, and reasons for, the Acquisition, and including a notice convening the Mustang General Meeting.
- The Acquisition is currently expected to become Effective during the second quarter of 2024, subject to the satisfaction or waiver of the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions of the Offer which will be set out in the Scheme Document.

FOR IMMEDIATE RELEASE

10 May 2024

RECOMMENDED ALL SHARE OFFER

FOR

CYKEL AI PLC

BY

MUSTANG ENERGY PLC

to be effected by means of a scheme of arrangement

under Part 26 of the Companies Act 2006

1 Introduction

The boards of Mustang Energy Plc ("Mustang") and Cykel AI Plc ("Cykel") are pleased to announce that they have reached agreement on the terms and conditions of a recommended all share offer to be made by Mustang to acquire the entire issued and to be issued ordinary share capital of Cykel (the "Offer" or the "Acquisition"). It is intended that the Acquisition be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the "Scheme"). Mustang reserves the right to elect, with the consent of the Panel, to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme.

2 The Acquisition

Under the terms of the Acquisition, each Cykel Shareholder will be entitled to receive:

1.911 New Mustang Shares in exchange for each 1 Cykel Share

Based on this exchange ratio ("Exchange Ratio") and a valuation of £1 million for the current entire issued share capital of Mustang, the Acquisition implies an offer value of 9.37 pence per Scheme Share and values the entire issued ordinary share capital of Cykel at approximately £19.22 million.

On this basis, the Acquisition represents:

- A premium of approximately 1.30% to the Closing Price of 9.25 pence per Cykel Share on 17 January 2024 (being the last Business Day prior to the suspension of trading in Cykel Shares); and
- A discount of approximately 3.20% to the three-month (less one week) VWAP of 9.68 pence per Cykel Share on 17 January 2024 (being the last Business Day prior to the suspension of trading in Cykel Shares).

Upon completion of the Acquisition, Cykel Shareholders will hold approximately 95.05% of the entire issued ordinary share capital of the Combined Group and Mustang Shareholders will hold approximately 4.95% of the entire issued ordinary share capital of the Combined Group (based on the existing issued ordinary share capital of Cykel and of Mustang, in each case as at the Latest Practicable Date).

The New Mustang Shares to be issued to Scheme Shareholders pursuant to the Scheme will be issued credited as fully paid and will rank *pari passu* in all respects with the Mustang Shares in issue at the time the New Mustang Shares are issued pursuant to the Scheme, including the right to receive all dividends and other distributions declared, made or paid on Mustang Shares by reference to a record date falling on or after the Effective Date (but will not, for the avoidance of doubt, carry the right to receive any dividends and other distributions for which the record date is before the Effective Date).

Fractions of New Mustang Shares will not be issued to Scheme Shareholders and entitlements will be rounded down to the nearest whole number of New Mustang Shares so that all fractions of New Mustang Shares will be disregarded.

The New Mustang Shares will be issued in registered form and will be capable of being held in both certificated form and uncertificated form.

Application will be made to the FCA and the London Stock Exchange for the New Mustang Shares to be admitted to listing on the Official List and to trading on the Main Market. It is expected that Admission will become effective, and that dealings for normal settlement in the New Mustang Shares will commence, at 8.00 am on the Business Day immediately following the Effective Date.

Subject to the Conditions and further terms set out in Appendix 1 to this announcement and to be set out in full in the Scheme Document, the Scheme Shares will be acquired by Mustang fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests of any nature and together with all rights existing at the date of this announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (if any), made on or after the date of this announcement in respect of the Cykel Shares.

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this announcement, including, among other things: (a) the Admission Condition having been satisfied; (b) the approval of the Mustang Resolutions by the Mustang Shareholders at the Mustang General Meeting; (c) the approval of Scheme Shareholders at the Court Meeting and the passing of the Resolution by the Cykel Shareholders at the General Meeting; (d) the sanction of the Scheme by the Court; and (e) the Scheme becoming Effective no later than the Long Stop Date. In order to become Effective, the Scheme must be approved by a majority in number of Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy, at the Court Meeting representing at least 75% in value of the Scheme Shares voted by such holders.

The Scheme Document will include full details of the Scheme, together with an explanatory statement providing details of the Offer, and the notices convening the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable of the Acquisition and will specify the necessary actions to be taken by Cykel Shareholders. The Scheme Document will be sent to Cykel Shareholders within 28 days of the date of this announcement (or such later date as Cykel, Mustang and the Panel agree).

Mustang expects to send the Mustang Circular and the Prospectus to Mustang Shareholders on or around the date of the Scheme Document, summarising the background to, and reasons for, the Acquisition, and including a notice convening the Mustang General Meeting.

3 Background to and reasons for the Acquisition

The Cykel Board and the Mustang Board believe that there is a compelling strategic and financial rationale for the Acquisition which will benefit the shareholders, clients, commercial counterparties and other stakeholders of the Combined Group.

Cykel was incorporated on 22 August 2023 and was admitted to trading on the Access segment of the Aquis Stock Exchange Growth Market on 25 October 2023. Trading in the Cykel Shares was suspended on 18 January 2024 due to the transformational nature of the Acquisition.

Cykel is an early stage company that intends to grow quickly through the operation of a software business engaged in the development of advanced artificial intelligence (AI) products, aiming to offer these to consumers through a "software as a service" (SaaS) model.

The rise of potent Natural Language Processing (NLP) text generators, exemplified by OpenAI's "GPT-4", is believed to serve as a catalyst for the widespread adoption of AI-driven business applications. As NLP-based text generators gain mainstream prominence, Cykel anticipates organisations embracing specialised "value add" applications that augment their business operations. This strategic orientation underscores Cykel's expectation of a burgeoning market for business applications propelled by the maturation of NLP technology.

Cykel has developed an AI-Powered Task Operating System as a Google Chrome extension. This core software, including all front and back end coding, integration work with third party providers, and publishing of Cykel's extension was completed in Q4 2023. Cykel's AI-Powered Task Operating System (Task OS) is designed to bring AI capabilities to the world of task management, providing users with a platform for streamlined workflows, intelligent task prioritisation, and cross-platform integration.

Mustang was formed to undertake an acquisition of a target company, business or asset(s) with operations in the energy or natural resources sectors. As a result of the global COVID-19 pandemic, Mustang announced that it would expand its search for appropriate acquisition targets to the entire value chain of the energy industry and would also consider potential acquisitions outside of the energy and natural resources industries.

The Combined Group intends to expand in the following areas:

- B2B Sales: Cykel intends to market directly to B2B companies and expand its marketing in the UK, Europe and North America. The goal is to grow a client base materially in 2024 based on the successful launch of the product in Q1 2024.

- Partnerships: Cykel intends to market through partnerships with organisations that are selling to the B2B software market.

- Technology: Cykel intends to offer more software features as it expands its client base. The technology roadmap will be driven primarily by user feedback from both customers and project partners.

Cykel's AI software aims to be available on a "freemium" basis. As such, the basic usage tier will be free, but Software as a Service fees will be incurred over a certain amount of requests per month.

The Cykel Directors and the Mustang Directors believe that the Combined Group's admission to the Main Market will not only enable greater liquidity of the Combined Group's shares, but also will enhance the Combined Group's corporate profile, which would in turn enhance the Combined Group in its market perception, contracting with third parties and attracting talent.

The Acquisition would allow the Cykel Shareholders to exchange their Cykel Shares for New Mustang Shares, being shares in the Combined Group. Upon completion of the Acquisition, the Combined Group will be admitted to the Main Market. The Cykel Directors believe that the Cykel Shareholders will achieve greater liquidity by holding shares in the Combined Group, rather than in Cykel alone. The Acquisition is an opportunity to achieve an admission to listing on the Official List and trading on the Main Market earlier than the Cykel Directors initially expected.

Upon completion of the Acquisition and the admission to trading on the Official List, the Mustang Directors will resign and the Cykel Directors will be appointed to the board of the Combined Group. The Mustang Concert Party and Cykel Directors have no intention to change:

(i) the future business for the Combined Group, including research and development. The Acquisition will not have any impact on the current activities of Cykel. The Combined Group will undertake the activities of Cykel;

(ii) the employees or pension schemes of the Combined Group. As at the date of this announcement, Mustang only has one employee, who is also a Mustang Director, and who will resign on completion of the Acquisition and the admission of the Combined Group to trading on the Official List, and it does not have any pension schemes. Other than as aforementioned, the Acquisition is not expected to have any repercussions on employment or pensions for the Combined Group. The Combined Group will be led by Cykel Directors who will be appointed at Admission and the Mustang Directors will resign;

(iii) the strategic plans for the Combined Group's places of business, including on the location of the headquarters;

(iv) employer contributions into any pension scheme(s), the accrual of benefits for existing members, or the admission of new members. As at the date of this announcement, neither Mustang nor Cykel has any pension schemes;

(v) redeployment of the Combined Group's fixed assets; and/or

(vi) the continuation of the Mustang Shares being admitted to listing on the standard listing segment of the Official List and to trading on the Main Market (subject to Admission occurring).

4 Background to and reasons for the recommendation

The Cykel Directors and the Mustang Directors believe that the Acquisition will deliver material value for both sets of shareholders and that there is a compelling strategic and financial rationale for the Acquisition which will benefit the shareholders, clients, commercial counterparties and other stakeholders of the Combined Group. The Cykel Directors and the Mustang Directors believe that the Acquisition is an opportunity for the Combined Group to achieve readmission to listing on the Official List and to trading on the Main Market on the basis of the Transitional Rules, following which the Combined Group will be well placed to carry out Cykel's business strategy.

5 Recommendation

The Mustang Directors, who have been so advised by Guild Financial as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Mustang Directors, Guild has taken into account the commercial assessments of the Company Directors. Guild is providing independent financial advice to the Mustang Directors for the purpose of Rule 3 of the Takeover Code.

The Cykel Directors, who have been so advised by Capital Plus Partners as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable and in the best interests of the Cykel Shareholders taken as a whole. In providing its advice to the Cykel Directors, Capital Plus Partners has taken into account the commercial assessments of the Cykel Directors. Capital Plus Partners is providing independent financial advice to the Cykel Directors for the purpose of Rule 3 of the Takeover Code.

Accordingly, the Cykel Directors unanimously recommend that the Cykel Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and the Resolution to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer), as all the Cykel Directors holding Cykel Shares have irrevocably undertaken to do in respect of their own beneficial holdings of 53,500,000 Cykel Shares (representing, in aggregate, approximately 26.07% of the Cykel Shares in issue on the Latest Practicable Date).

6 Irrevocable undertakings

In addition to the irrevocable undertakings from the Cykel Directors, Mustang has received irrevocable undertakings from certain other Cykel Shareholders to vote or procure votes in favour of the Scheme at the Court Meeting and the Resolution to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of 58,500,000 Cykel Shares, representing approximately 28.15% of the Cykel Shares in issue as the Latest Practicable Date.
In aggregate, Mustang has received irrevocable undertakings to vote or procure votes in favour of the Acquisition in respect of 112,000,000 Cykel Shares, representing, in aggregate, approximately 54.58% of the Cykel Shares in issue as at the Latest Practicable Date.

In addition to the irrevocable undertakings noted above, Mustang has received irrevocable undertakings to vote or procure the vote in favour of the Mustang Resolutions in respect of 5,171,600 Mustang Shares, representing 45.52% of the Mustang Shares in issue as at the Latest Practicable Date.

Full details of the irrevocable undertakings received by Mustang are set out in Appendix 3 to this announcement.

7 Information on Mustang

Mustang was formed to undertake an acquisition of a target company, business or asset(s) with operations in the energy or natural resources sectors. As a result of the global COVID-19 pandemic, Mustang announced that it would expand its search for appropriate acquisition targets to the entire value chain of the energy industry and would also consider potential acquisitions outside of the energy and natural resources industries.

On 29 July 2019, Mustang completed its IPO and was admitted to listing on the Official List by way of a Standard Listing and to trading on the Main Market. Mustang raised £750,000 (before expenses) in conjunction with the IPO through a placing.

In March 2021, Mustang completed a placing raising gross proceeds of £167,160.

Mustang attempted an acquisition of VRFB Holdings Limited. On 9 August 2023, Mustang announced that it was unable to meet the conditions of that proposed acquisition, and the conditional acquisition agreements therefore terminated.

The Acquisition will allow Mustang to carry out the purpose for which it was incorporated and admitted to listing on the Official List and to trading on the Main Market.

Further details in relation to Mustang will be contained in the Scheme Document.

8 Information on Cykel

Cykel is an early stage company that intends to grow quickly through the operation of a software business engaged in the development of advanced artificial intelligence (AI) products, aiming to offer these to consumers through a “software as a service” (SaaS) model. Cykel intends to leverage the expertise of its board of directors, software development experience and networks in the technology sector including companies like IronPoint Technologies (sold to the Active Network), Strangeloop Networks (sold to Radware) and CTO AI Inc. to drive value creation and to establish the business. In addition, Cykel Directors believe it has a proven capability in transaction origination and strategic business plan execution to achieve significant growth.

In September 2023, Cykel raised initial capital of c. £568,500, which enabled it to formulate its business plan, specifically for product development, marketing and operations. On 25 October 2023 Cykel was admitted to trading on the Access Segment of the Aquis Stock Exchange Growth Market and raised £1,750,000.50 through its fundraise. Trading in the Cykel Shares was suspended on 18 January 2024 due to the transformational nature of the Acquisition.

Cykel has developed an AI-Powered Task Operating System as a Google Chrome extension. As announced by Cykel on 4 December 2023, this core software, including all front and back end coding, integration work with third party providers, and publishing of Cykel’s extension was completed in Q4 2023. Cykel’s AI-Powered Task

Operating System (Task OS) is designed to bring AI capabilities to the world of task management, providing users with a platform for streamlined workflows, intelligent task prioritisation, and cross-platform integration.

Following successful completion of the "version one" development, Cykel entered into the "beta launch" stage of its software in December 2023, with a "VIP" product launch for 5 beta clients. Following the "VIP" product launch, Cykel intends to complete a full product launch of the software, to occur in Q2 2024.

9 Conditions to the Scheme and the Acquisition

It is intended that the Acquisition will be effected by means of a Court-sanctioned scheme of arrangement between Cykel and the Scheme Shareholders under Part 26 of the Companies Act, although Mustang reserves the right to elect (with the consent of the Panel) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme.

The effect of the Scheme is to provide for Mustang to become the holder of the entire issued and to be issued ordinary share capital of Cykel. To become Effective, the Scheme must be approved at the Court Meeting by a majority in number of Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy, at the Court Meeting and who represent 75 per cent or more in value of the Scheme Shares voted by those Scheme Shareholders. In respect of the approval of the Scheme, Scheme Shareholders will be entitled to cast one vote for each Scheme Share held. The Scheme also requires the Resolution to be approved by the requisite majority of Cykel Shareholders at the General Meeting.

Once the necessary approvals have been obtained at the Mustang General Meeting, the Court Meeting and the General Meeting, and the other Conditions (save for the Condition set out at paragraph 4 of Part A of Appendix 1) have been satisfied or, if applicable, waived, the Scheme must be sanctioned by the Court (with or without modification but subject to any modification being on terms reasonably acceptable to Mustang and Cykel). The Scheme will only become Effective once a copy of the Scheme Court Order is delivered to the Registrar of Companies for registration.

The Acquisition is subject to the Conditions and further terms set out in Appendix 1 to this announcement and to the full terms and conditions that will be set out in the Scheme Document, including, among other things:

a) the Admission Condition having been satisfied;

b) the approval of the Mustang Resolutions by the Mustang Shareholders at the Mustang General Meeting;

c) the Scheme becoming Effective by 11.59 p.m. (London time) on the Long Stop Date (or such later date as may be agreed between Mustang and Cykel and the Panel (and that the Court may allow));

d) the approval of the Scheme by a majority in number of Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy, at the Court Meeting and who represent at least 75% in value of the Scheme Shares voted by such holders;

e) the passing of the Resolution by the requisite majority of Cykel Shareholders at the General Meeting;

f) the sanction of the Scheme by the Court (with or without modification (but subject to such modification being acceptable to Mustang and Cykel)); and

g) a copy of the Scheme Court Order is delivered to the Registrar of Companies.

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting, the General Meeting (and the associated Forms of Proxy) and the expected timetable. It will also specify the action to be taken by Scheme Shareholders.

Subject to the satisfaction of the Conditions, the Scheme is expected to become effective during the second quarter of 2024.

The Scheme will be governed by English law and will be subject to the jurisdiction of the Court and the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the Aquis Rules, the FCA and the Registrar of Companies.

Mustang expects to send the Mustang Circular and the Prospectus to Mustang Shareholders on or around the date of the Scheme Document, summarising the background to, and reasons for, the Acquisition, and including a notice convening the Mustang General Meeting.

10 Right to switch to a Takeover Offer

Mustang reserves the right to elect (with the consent of the Panel) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect the change in method of effecting the Acquisition.

Further, in such circumstances, if sufficient acceptances of the Takeover Offer are received and/or sufficient Cykel Shares are otherwise acquired, it is the intention of Mustang to apply the provisions of the Companies Act to acquire compulsorily any outstanding Cykel Shares to which such Takeover Offer relates.

11 Admission of the New Mustang Shares

Application will be made to the FCA and the London Stock Exchange for the New Mustang Shares to be admitted to listing on the Official List and to trading on the Main Market. It is expected that Admission will become effective and that dealings for normal settlement in the New Mustang Shares will commence at 8.00 am on the first Business Day following the Effective Date.

12 Cancellation of admission to trading on the AQSE Growth Market and re-registration as a private limited company

Trading in the Cykel Shares on the AQSE Growth Market was suspended on 18 January 2024. It is intended that an application will be made to Aquis for the cancellation of admission to trading of Cykel Shares on the AQSE Growth Market, with effect from or shortly after the Effective Date.

Share certificates in respect of Cykel Shares will cease to be valid and should be destroyed on the Effective Date. In addition, entitlements held within CREST to Cykel Shares will be cancelled on the Effective Date.

It is Mustang's intention that, in due course and following the cancellation of admission to trading on the AQSE Growth Market, Cykel will be re-registered as a private limited company.

13 Disclosure of Interests

As at the Latest Practicable Date, neither Mustang, nor any of its directors, nor, so far as Mustang is aware, any person acting in concert (within the meaning of the Takeover Code) with any of them for the purposes of the Acquisition has:

- any interest in or right to subscribe for any relevant securities of Cykel;
- any short positions in respect of relevant securities of Cykel (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery;
- borrowed or lent any relevant securities of Cykel (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code), save for any borrowed relevant securities of Cykel which had been either on-lent or sold; or
- entered into any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code.

"**Interests in securities**" for these purposes and within the meaning of the Takeover Code arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In

particular, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

24 May 2024

To the holders of Existing Ordinary Shares and, for information purposes only, the holders of the Convertible Loan Notes, share options and Warrants

Dear Shareholders

Proposed Acquisition of Cykel

Proposed waiver of Rule 9 of the Takeover Code

Issue of 400,345,563 New Shares

Notice of General Meeting

1. Introduction and background

I am writing to you with details of some important resolutions the Company wishes to propose to Shareholders in the upcoming General Meeting which the Board has convened at the offices of Druces LLP, Salisbury House, London Wall, London, EC2M 5PS, at 11 a.m. on 20 June 2024. Notice of the General Meeting is set out at the end of this Circular.

On 10 May 2024, the Directors and the directors of Cykel AI Plc ("Cykel"), a company incorporated in England and Wales which is listed on the Aquis Stock Exchange Growth Market (AQSE: CYK), announced that they had reached agreement on the terms of a recommended all-share offer to be made by the Company for the entire issued share capital of Cykel (the "**Acquisition**"), to be implemented by means of a court-approved scheme of arrangement under Part 26 of the Companies Act. The consideration for the Acquisition will be the issue of 392,105,381 new Ordinary Shares ("**Consideration Shares**") to the holders of shares in Cykel. In addition, to the Consideration Shares, 6,840,182 Ordinary Shares will be issued on the exercise of the Convertible Loan Notes, with accompanying interest and 1,400,000 Ordinary Shares will be issued as part satisfaction of fees owed by the Company to Druces LLP, First Sentinel and to Richard Corsie ("**Fee Shares**"). In addition, options over 7,425,000 Ordinary Shares will be issued to the Mustang Directors in lieu of salary payments ("**2024 Director Options**") and warrants over 141,044,698 Ordinary Shares will be issued to the holders of warrants in Cykel ("**Cykel Exchange Warrants**"). The Resolutions to be proposed at the General Meeting of the Company include the resolutions that are required in order for the Company to issue those new Ordinary Shares in respect of the Consideration Shares, the Convertible Loan Notes and the Fee Shares as well as the exercise of the 2024 Director Options, the BMN Warrants (refered to in paragraphs 6.3 and 6.5 of Part II) and the Cykel Exchange Warrants. Further details are contained in this Circular.

It has been agreed with the Panel that, for the purposes of the Acquisition, a concert party exists comprising the following shareholders and warrantholders in Cykel: Toro Consulting Ltd, Fidelio Partners Pte Ltd, California Two Pizza Ventures Inc, Nicholas Lyth, First Sentinel Corporate Finance Limited, Brian Stockbridge, Alpha Capital Group Ltd, AB Trading and Investments Ltd, B Roberts Equity Trading Ltd, Daniel Pellard, Robert Mayfield, Jonathan Hives and Clear Capital Markets Ltd (the "**Concert Party**"). The Concert

Party holds 105,000,000 shares in Cykel, representing 51.17% of the voting rights of Cykel, and hold 54,385,170 warrants in Cykel which (assuming exercise in full by the members of the Concert Party of these warrants, and assuming that no other person converts any convertible securities or exercises any options or any other right to subscribe for ordinary shares in Cykel) entitle the members of the Concert Party to a further 54,385,170 ordinary shares in Cykel, representing approximately 26.15% of the voting rights of Cykel. Immediately following Admission, the Concert Party will hold 201,055,000 Ordinary Shares of the Company representing approximately 48.74% of the Company's Voting Share Capital being over 30% of the Company's Voting Share Capital but not more than 50% of the Company's Voting Share Capital. If the Concert Party exercise their Cykel Exchange Warrants in full, and no other party exercises any other warrants or options, then the Concert Party will hold a further 130,323,076 Ordinary Shares which, in aggregate, will result in the Concert Party holding a total of 331,378,076 Ordinary Shares, representing 61.05% of the Company's Voting Share Capital. A Rule 9 Waiver is therefore being proposed to the Independent Shareholders. Further details on the Concert Party are contained in Part II of this Circular.

In addition to giving notice of the General Meeting and information on the Acquisition to Shareholders, the purpose of this Circular is to provide you with information on the background to and reasons for the Rule 9 Waiver being put to the Independent Shareholders, to explain why the Board considers the Rule 9 Waiver to be in the best interests of the Company and the Shareholders as a whole and why the Directors unanimously recommend that the Independent Shareholders vote in favour of the Rule 9 Waiver to be proposed at the General Meeting.

2. Company overview

The Company was incorporated as a public limited company on 17 January 2018 in accordance with the laws of England and Wales. On 29 July 2019, the Company completed its initial public offering and was admitted to listing on the standard listing segment of the Official List and to trading on the London Stock Exchange's Main Market for listed securities.

The Company was formed to undertake an acquisition of a target company or business or asset(s) with operations in the energy or natural resources sectors. As a result of the global COVID-19 pandemic, the Company announced with the release of its annual report and financial statements for the year ended 31 December 2019 that it would expand its search for appropriate acquisition targets to the entire value chain of the energy industry and would also consider potential acquisitions outside of the energy and natural resources industries. Since then, the Company has looked at a number of acquisition targets but for a variety of reasons has not previously been able to conclude an acquisition.

If the Acquisition is completed, the Company is able to rely upon the transitional provisions made by the changes to the Listing Rules by the FCA (effective as of 3 December 2021) and set out in the Listing Rules (LR TR 16 in respect of LR 2.2.7R(1)) (the "**Transitional Rules**") and is not required to have a minimum market capitalisation of £30 million upon Admission. If the Acquisition is not completed the Company will not be able to rely on the Transitional Rules in the future. Therefore any future acquisition would need to have a minimum market capitalisation of £30 million upon Admission of the enlarged company's shares to listing on the standard listing segment of the Official List and to trading on the Main Market to satisfy the Listing Rules.

3. Information on Cykel and Reasons for the Acquisition

Cykel was incorporated in England and Wales on 22 August 2023. It has carried out limited commercial activity since its incorporation and intends to operate a software business engaged in the development of advanced artificial intelligence (AI) products, intending to offer these to consumers through a "software as a service" (SaaS) model. Cykel intends to leverage the expertise of its board of directors, software development experience and networks in the technology sector. In September 2023, Cykel raised initial capital of c. £568,500, which enabled it to formulate its business plan, specifically for product development, marketing and operations. On 25 October 2023, Cykel was admitted to trading on the Access Segment of the Aquis Stock Exchange Growth Market and raised £1.75 million through its fundraise.

The Board believes that there is a compelling strategic and financial rationale for the Acquisition which will benefit the shareholders, clients, commercial counterparties and other stakeholders of the Combined Group.

Mustang has been looking to complete an acquisition by way of a reverse takeover for a period of time. Mustang is subject to the Transitional Rules. Pursuant to the Transitional Rules, which would have ceased to apply to Mustang had it not completed submissions to the FCA for an eligibility review for listing and a

prospectus review before 4 p.m. on 1 December 2023 (the "Submissions"), Mustang can be re-admitted following a reverse takeover to listing on the Official List and to trading on the Main Market without the requirement that its market capitalisation be £30 million or more. Mustang has successfully filed the Submissions before 4 p.m. on 1 December 2023. Accordingly, Mustang may, subject to FCA's approval of the Prospectus and eligibility, complete the Acquisition by way of a reverse takeover under the Listing Rules on the basis of the Transitional Rules. Any later application for re-admission as part of a reverse takeover would not fall within the Transitional Rules and would be subject to the £30 million minimum market capitalisation requirement, making any future reverse takeover more challenging for Mustang and reducing the attractiveness of Mustang as a shell company going forward.

At the heart of Cykel's product strategy lies the belief that the rise of potent Natural Language Processing (NLP) text generators, exemplified by OpenAI's "GPT-4," will serve as a catalyst for the widespread adoption of AI-driven business applications. As NLP-based text generators gain mainstream prominence, Cykel anticipates organisations embracing specialised "value add" applications that augment their business operations. This strategic orientation underscores Cykel's expectation of a burgeoning market for business applications propelled by the maturation of NLP technology.

Currently, Cykel is at an early stage of operations and in its development phase. Cykel has developed an AI-Powered Task Operating System as a Google Chrome extension. As announced by Cykel on 4 December 2023, this core software, including all front and back-end coding, integration work with third party providers, and publishing of Cykel's extension was completed in Q4 2023. Cykel's AI-Powered Task Operating System (Task OS) is designed to bring AI capabilities to the world of task management, providing users with a platform for streamlined workflows, intelligent task prioritisation, and cross-platform integration.

Cykel's AI software aims to be available on a "freemium" basis. As such, the basic usage tier will be free, but Software as a Service fees will be incurred over a certain amount of requests per month. Cykel will aim to make its platform available to partners and B2B customers. Cykel's sales strategy would initially involve market research and product development. Cykel then plans to proceed into the product launch and initial sales stage. As Cykel transitions into Q3 and Q4 2024, the sales efforts are expected to shift towards scaling and expansion. Through 2025 and beyond Cykel expects to focus on marketing and sales optimisation.

The Directors and the Proposed Directors believe that the Combined Group's listing on the Main Market will not only enable greater liquidity of the Combined Group's shares, but also will enhance the Combined Group's corporate profile, which would in turn enhance the Combined Group in its market perception, contracting with third parties and attracting talent.

The Combined Group's main product will be Cykel AI, a Natural Language Processing software. In building and growing its software, the Combined Group intends to emphasise the following use case:

- Google Software: The ability to manage Google Sheets, Docs, Slides, Forms, Email and Calendar.
- Microsoft Software: The ability to manage Microsoft Excel, Word, PowerPoint, and Outlook emails and Calendar.
- Salesforce Software: The ability to manage contacts, leads, emails, opportunities, sales and support.
- Shopify Software: The ability to manage all Shopify selling capabilities.
- Amazon Software: The ability to manage all Amazon selling capabilities.
- Tableau Software: The ability to manage all analytics capabilities.

4. Terms and conditions of the Acquisition

Under the terms of the Acquisition, which will be subject to the terms and conditions further set out in the Scheme Document, each Cykel shareholder will be entitled to receive.

1.911 New Mustang Shares in exchange for each Cykel Share

The exchange ratio ("Exchange Ratio") has been calculated on the basis of a valuation of £1 million for the entire issued share capital of Mustang, and a valuation of Cykel at c £19.22 million based on a ten-day volume weighted average price (VWAP) up to 7 November 2023. The Acquisition implies an offer value of 9.37 pence per Cykel Share.

On this basis, the Acquisition represents:

- a premium of approximately 1.30% to the closing price of 9.25 pence per Cykel Share on 17 January 2024 (being the last Business Day prior to the suspension of trading in Cykel Shares); and

- a discount of approximately 3.20% to the three-month VWAP of 9.68 pence per Cykel Share on 17 January 2024 (being the last Business Day prior to the suspension of trading in Cykel Shares).

The dates referenced above are significant as these represent the dates on which trading in both sets of shares was suspended.

Trading in the ordinary shares of Cykel was suspended on 18 January 2024 due to the transformational nature of the Acquisition. Trading in the ordinary shares of Mustang was suspended on 27 April 2021 due to the entering into of a legally binding investment agreement with VRFB Holdings Limited ("VRFB-H"). This acquisition did not complete although the shares have remained suspended since.

Upon completion of the Acquisition, Cykel Shareholders will hold approximately 95.05% of the entire issued ordinary share capital of the Combined Group and Mustang Shareholders will hold approximately 4.95% of the entire issued ordinary share capital of the Combined Group.

The Acquisition is conditional upon, amongst other matters:

- the Scheme being approved by the requisite percentage of Cykel Shareholders and being sanctioned by the High Court of Justice in England and Wales;
- each of Mustang and Cykel obtaining the necessary shareholder, third party and regulatory approvals;
- publication of the Prospectus; and
- Admission.

5. Prospectus and related documentation

On the date of this Circular, the Company is publishing a prospectus describing the Combined Group (the "**Prospectus**"). The Prospectus is available at the Company's website: http://www.mustangplc.com/. The content of the Prospectus is incorporated by reference into this Circular (pursuant to Rule 24.15 of the Code).

The Acquisition constitutes a Reverse Takeover under the Listing Rules as it will result in a fundamental change in the business of the Company. In accordance with Listing Rule 5.6.19G, the FCA is expected to cancel the listing of the Existing Ordinary Shares immediately before 8:00 a.m. on 27 June 2024. Applications will be made for the Enlarged Share Capital to be admitted to listing on the standard listing segment of the Official List in accordance with Chapter 14 of the Listing Rules and to trading on the London Stock Exchange's Main Market for listed securities with effect from 8:00 a.m. on 27 June 2024.

The Acquisition remains conditional, *inter alia*, upon the approval by Independent Shareholders of the Rule 9 Waiver (the Resolution numbered 7 set out in the Notice of General Meeting). This Circular provides Independent Shareholders with the details of the Waiver Proposal and the Board's recommendation in relation to the Waiver Proposal and the other Resolutions to be proposed at the General Meeting to be held on 20 June 2024.

This Circular also provides Shareholders with information regarding certain other shareholder authorities to be sought by the Board at the General Meeting.

The Acquisition is also conditional, *inter alia*, upon Admission and the approval by the holders of the Existing Ordinary Shares of the other Resolutions at the General Meeting. It is expected that Admission will become effective at 8:00 a.m. on 27 June 2024. Following Admission, the Combined Group will comprise the Company and Cykel.

6. The Takeover Code

Introduction

As a company incorporated in England and Wales which has its shares admitted to listing on the standard segment of the Official List and admitted to trading on the Main Market of the London Stock Exchange, the Company is subject to the Takeover Code. Under Rule 9 of the Takeover Code, any person who acquires an interest in shares (as defined in the Takeover Code) which, taken together with shares in which they are already interested and shares in which persons acting in concert with them are interested, carry 30 per cent. or more of the voting rights of a company (which is subject to the Code) is normally required to make a general offer to all the remaining shareholders to acquire their shares.

Similarly, when any person, together with persons acting in concert with them, is interested in shares which in the aggregate carry not less than 30 per cent. of the voting rights of such a company but does not hold shares carrying more than 50 per cent. of such voting rights, a general offer will normally be required if any further interests in shares are acquired by any such person. An offer under Rule 9 must be made in cash and at the highest price paid by the person required to make the offer, or any person acting in concert with them, for any interest in shares of the company during the 12 months prior to the announcement of the offer.

Where a person acquires new shares, the Panel may agree to waive the obligation that would otherwise arise under Rule 9 if the acquisition is approved by a vote of independent shareholders in a general meeting.

When members of a concert party hold more than 50 per cent. of the voting rights in a company, no obligations under Rule 9 normally arise from acquisitions by any member of the concert party although individual members of a concert party will not be able to increase their percentage interests in shares through or between a Rule 9 threshold without Panel consent.

The Waiver Proposal

Following Completion pursuant to the terms of the Acquisition and upon Admission, the Concert Party will hold 201,055,000 Ordinary Shares, representing approximately 48.74 per cent. of the voting rights of the Enlarged Share Capital (i.e. less than 50 per cent. of the Enlarged Share Capital). If, following Completion pursuant to the terms of the Acquisition and upon Admission, the Concert Party were to exercise in full their 130,323,076 Warrants (and assuming no other options or Warrants were exercised), the Concert Party will hold a further 130,323,076 Ordinary Shares, representing approximately 24.38 per cent. of the voting rights of the Enlarged Share Capital. In these circumstances, the Concert Party will hold an aggregate of 331,378,076 Ordinary Shares representing approximately 61.05 per cent. of the Enlarged Share Capital (i.e. more than 50 per cent. of the Enlarged Share Capital) following completion of the Acquisition and Admission and will have control of the Company in accordance with the Code.

A table showing the respective individual interests in Ordinary Shares and Warrants of the members of the Concert Party is set out below in paragraph 3 of Part II.

Accordingly, the Concert Party would normally be required under Rule 9 of the Code to make a mandatory offer for the remainder of the share capital of the Company as a result of the issue of Ordinary Shares described above. However, the Panel has agreed, subject to the Rule 9 Waiver being approved by Independent Shareholders at the General Meeting, to waive the obligation on the Concert Party, under Rule 9 of the Code, to make an offer for the entire issued share capital of the Company that would otherwise arise as a result of the issue to the Concert Party of the Consideration Shares and the First Sentinel Fee Shares on Admission and, following the exercise of the Concert Party's Cykel Exchange Warrants.

Application of the Takeover Code following the Panel Waiver

If the Rule 9 Waiver is approved at the General Meeting the Company will remain subject to the Takeover Code.

On completion of the Acquisition (being the date on which the Scheme becomes effective) and following Admission, the Concert Party's aggregate shareholding in the Company will be approximately 48.74 per cent.

In these circumstances, the acquisition of any further Ordinary Shares by any member of the Concert Party (save as a result of the exercise of the Cykel Exchange Warrants) would trigger an obligation for a mandatory offer to be made under Rule 9 since it will have the effect of increasing the percentage of Ordinary Shares held by the Concert Party in the 30% to 50% band. If, as a result of the exercise of the Cykel Exchange Warrants by members of the Concert Party, the Concert Party comes to hold more than 50% of the Ordinary Shares, the Concert Party will be able to acquire further Ordinary Shares without consequence under Rule 9.

If the Waiver Proposal is approved by the passing of the Rule 9 Waiver at the General Meeting, the Concert Party will not be restricted from making an offer for the Company.

Intentions of the Concert Party

The individual members of the Concert Party have each confirmed to the Company that they are not proposing, following any increase in their percentage interests in the Enlarged Share Capital as result of completion of the Transaction, to seek any change in the general nature of the business. The Concert Party have further confirmed that they have no intention to change the Company's plans in respect of:

(i) the future business for the Company (including research and development). At the date of this Circular the Company does not have any business activity and therefore the Acquisition will not have any impact on the current activities of the Company. The Combined Group will be led by the Proposed Directors (being the current directors of Cykel) who will be appointed at Admission and the Mustang Directors will resign;

(ii) the strategic plans for the Company's places of business, including on the location of the headquarters;

(iii) employer contributions into any pension scheme(s), the accrual of benefits for existing members, or the admission of new members. As at the date of this Circular, the Company does not have any employees or pension schemes. The Acquisition will therefore not have any repercussions on employment or pensions for Mustang;

(iv) redeployment of the Company's fixed assets; and/or

(v) the continuation of the Shares being admitted to listing on the standard listing segment of the Official List and to trading on the Main Market (subject to Admission occurring).

The Concert Party confirms that there will be no material impact on the future business, its existing employees and strategic plans following the Acquisition.

Benefits of the Waiver Proposal

The Acquisition is conditional on the passing of the Rule 9 Waiver. The Board considers that the Acquisition represents an accelerated route to grow the Company and add value.

The Acquisition will therefore not proceed unless the Waiver Proposal is approved by the Independent Shareholders. Given this, the Board believes that it is in the best interests of the Company, and the Shareholders as a whole, that the Waiver Proposal be approved by the Independent Shareholders at the General Meeting.

Risks associated with the Waiver Proposal

In considering your voting decisions in relation to the Waiver Proposal, you are referred to the risks set out below. Only those risks relating to the Waiver Proposal which are material and currently known to the Company are set out below. Additional risks and uncertainties not currently known to the Company, or that the Company currently deems to be immaterial, may also have an adverse effect on the Company.

The Independent Shareholders should note that, if the Rule 9 Waiver is approved and the Acquisition completes, the Concert Party will hold in aggregate approximately 48.64% of the Ordinary Shares upon the issue of the Consideration Shares, 48.74% of the Ordinary Shares upon the issue of the Fee Shares and 61.05 % of the Ordinary Shares should the Concert Party exercise in full their Cykel Exchange Warrants, and assuming no other party exercises any warrants or options. In practical terms, these shareholdings will have the effect of deterring any offeror from making an offer for the Company without support from the Concert Party.

Implementing the Rule 9 Waiver

The Rule 9 Waiver is subject to the approval of Independent Shareholders at the General Meeting. To comply with the Takeover Code, the Rule 9 Waiver will be taken on a poll and requires the approval of more than 50 per cent. of votes cast by Independent Shareholders at the General Meeting present in person or by proxy and voting at the General Meeting.

7. Independent advice provided to the Board

The Takeover Code requires the Board to obtain competent independent advice regarding the merits of the transaction which is the subject of the Rule 9 Waiver, namely the issue to the Concert Party of the Consideration Shares, First Sentinel Fee Shares and proposed Cykel Exchange Warrants and the effect it will have on Shareholders generally. Accordingly, Guild Financial, as the Company's financial adviser, has provided formal advice to the Board regarding the proposals.

Guild Financial confirms that it is independent of the Company and the Concert Party and has no commercial relationship with the Concert Party.

8. General meeting

10. Recommendation

10.1 ***Waiver Proposal***

The Directors, who have been so advised by Guild Financial, consider the Transaction and the Waiver Proposal to be fair and reasonable and in the best interests of the Company and its Independent Shareholders as a whole. In providing advice to the Board, Guild Financial has taken account of the commercial assessments of the Board. Accordingly, the Board recommends that the Independent Shareholders vote in favour of the Rule 9 Waiver approving the Waiver Proposal at the General Meeting. The Board have given irrevocable undertakings to vote in favour of Resolutions 3-11 (inclusive) in respect of their entire beneficial holdings of Ordinary Shares which amount to, in aggregate, 2,450,000 Existing Ordinary Shares, representing approximately 20.15 per cent. of the Existing Ordinary Shares. The Board intends to vote in favour of Resolutions 1, 2 and 12 in respect of their entire beneficial holdings.

In addition, the Company has received irrevocable undertakings to vote in favour of resolutions 3-11 (inclusive) in respect of 2,721,600 Existing Ordinary Shares, representing approximately 22.38% per cent. of the Existing Ordinary Shares. The Transaction and the Waiver Proposal are conditional, *inter alia*, upon the passing of the Resolutions at the General Meeting. Shareholders should be aware that if the Resolutions 3-11 (inclusive) are not approved at the General Meeting, the Transaction will not proceed in any respect. Shareholders are urged to vote in favour of the Resolutions, which the Board considers to be in the best interests of the Shareholders as a whole.

10.2 ***Other Resolutions***

Yours faithfully

First Sentinel also agreed to a lock-in of the First Sentinel Fee Shares issued to them, details of the lock-in are set out above.

6.11 (b) *Cykel Exchange Warrant Instrument*

On [●], the Company executed a warrant instrument constituting the Cykel Exchange Warrants, pursuant to which the Cykel Warrant holders exchanged, conditional on Admission, their 59,385,170 warrants in Cykel issued pursuant to the Cykel warrant instrument (executed by Cykel on 18 September 2023) for 141,044,698 warrants in the Company. 102,927,582 Cykel Exchange Warrants are exercisable in whole or in part, with an exercise price of 1p, on or before 24 October 2026 and 38,117,116 Cykel Exchange Warrants are exercisable in whole or in part, with an exercise price of 3p, on or before 24 October 2028.

In determining the offer to the Cykel Warrant holders, the Boards of Mustang and Cykel have agreed, taking into account the current exercise price of the Cykel Warrants ranges from 1p to 3p, to increase the number of warrants to be issued to the Cykel Warrant holders rather than to reduce the exercise price of the Cykel Exchange Warrants to a fractional level and, since the Ordinary Shares of Mustang have been suspended since 27 April 2021, to also use the volatility of the Cykel ordinary shares, as this represents the best guide for future volatility of the issued share capital in the Combined Group.

On full exercise of the Cykel Exchange Warrants, 141,044,698 new Ordinary Shares will be issued representing 25.86% of the enlarged issued share capital of the Combined Group, assuming no other warrants or options are exercised. Based on these factors, and the fact that the opening price per share on Admission is expected to be 4.9 pence, increasing the number of Warrants to the current Cykel Warrant holders ensures the most consistent transition in value terms based on expected levels of profit per warrant.

The instrument is governed by the laws of England and Wales.
