Dear all

Proposed acquisition of the entire issued share capital of Cykel AI PLC (the Target) by Mustang Energy PLC (the Bidder)

We refer to the proposed acquisition of the Target by the Bidder of the entire issued and to be issued share capital of the Target by the Bidder (**Acquisition**) substantially on the terms and subject to the conditions contained in the draft press announcement (**Press Announcement**) attached to this undertaking (which may be amended as agreed between the Bidder's advisers and the Target's advisers and as may be required to comply with the City Code on Takeovers and Mergers (**Takeover Code**) and/or the requirements of the Panel on Takeovers and Mergers (the **Panel**), the Financial Conduct Authority, the Aquis Stock Exchange Limited or London Stock Exchange plc or any other applicable law or regulation). We understand that the Acquisition is expected to be implemented by way of a Scheme (as defined below) but that the Bidder has the right to elect to implement the Acquisition by means of a Takeover Offer (as defined below).

For the purposes of this undertaking, the **Acquisition** shall:

(a) mean the proposed acquisition by or on behalf of the Bidder with the recommendation of the board of the Target of the issued and to be issued ordinary share capital of the Target not already owned or agreed to be acquired by the Bidder, whether implemented by way of a scheme of arrangement pursuant to Part 26 of the Companies Act 2006 (**Companies Act**) (referred to in this undertaking as a **Scheme**) or contractual takeover offer (within the meaning of section 974 of the Companies Act) (**Takeover Offer**); and

(b) include any new, revised, improved or increased offer to that in paragraph (a) above which may be made by or on behalf of the Bidder from time to time.

Shares shall mean:

(a) the Existing Shares (as defined in paragraph 1.1 below);

(b) any shares in the Target of which we may become the registered holder or beneficial owner or in respect of which we may otherwise become entitled to exercise all rights/interests after the date of this letter or otherwise; and

(c) any other shares or securities of the Target attributable to or derived from any shares referred to in paragraphs (a) or (b) above.

Irrevocable undertakings

1. In consideration of the Bidder releasing the Press Announcement and agreeing to the Acquisition, we hereby irrevocably and unconditionally undertake, confirm, warrant and represent and agree with the Bidder in the following terms:

DocuSign Envelope ID: 268CD37C-6315-4BC8-9E90-C8ABD4B72EF4

1.4 We have the full power and authority and the right (free from any legal or other restrictions), and neither we nor the registered holder of any Shares (where applicable) will take any action which would cause us to cease having all relevant power and authority and the right, to enter into and perform the obligations in this undertaking in accordance with their terms. The Bidder will acquire the Shares from us with full title guarantee, free from any charge, option, lien, equity, restriction or encumbrance whatsoever and with all rights now or hereafter attached or accruing to them, including voting rights and, save in respect of any payment of dividends as set out in the Press Announcement, the right to all dividends and distributions (if any) declared, made or paid after the date of the Press Announcement;

1.5 If the Acquisition is structured or restructured as a Scheme:

1.5.1 we shall or, where applicable, will procure that the registered holder of the Shares will, in person or by proxy, cast all votes (whether on a show of hands or a poll) in relation to the Shares at any relevant court-convened or general meetings of the Target shareholders (including any adjournment thereof):

1.5.1.1 in favour of the resolutions to approve and implement the Scheme together with any other resolutions to approve any related matters set out in the Scheme Document (as defined in paragraph 1.5.2) in each case whether or not amended (**Resolutions**);

1.5.1.2 unless the Bidder directs otherwise, against any resolution (whether or not amended) or any proposal to adjourn any such meeting or which (if passed) are reasonably likely to result in any condition of the Acquisition not being fulfilled or which are reasonably likely to delay, impeded of frustrate the Acquisition in any way; and

1.5.1.3 at the written request of the Bidder, to join in requisitioning the convening of any general meetings of the Target shareholders (including any adjournment thereof) for the purpose of passing any resolution referred to in paragraph 1.5.1.1 or rejecting any resolution referred to in paragraph 1.5.1.2;

1.5.2 we shall, after the posting of the circular to be sent to shareholders of the Target containing an explanatory statement in respect of the Scheme (**Scheme Document**) (and without prejudice to our right to attend and vote in person at any meeting), return or procure the return of the signed

forms of proxy enclosed with the Scheme Document (completed and signed and appointing the chair to vote in favour of the Resolutions) in accordance with the instructions printed on such forms of proxy, as soon as possible and in any event within seven days after the posting of the Scheme Document, or in respect of any Shares subsequently issued to us, within five business days of such issue, and agree not to revoke or withdraw the forms of proxy once they have been submitted in accordance with this paragraph 1.5.2; and

1.5.3 without prejudice to paragraph 1.5.2, for the purpose of voting on any other resolution referred to in paragraphs 1.5.1.1, 1.5.1.2 or 1.5.1.3, we shall as soon as reasonably practicable after any written request by the Bidder (and without prejudice to our right to attend and vote in person at any meeting), return or procure the return of any forms of proxy (completed and signed and appointing the chair as proxy to vote as required pursuant to this paragraph 1.5) in accordance with the instructions printed on such forms of proxy, or in respect of any Shares subsequently issued to us, within five business days of such issue, and agree not to revoke or withdraw the forms of proxy once they have been submitted in accordance with this paragraph 1.5.3.

1.6 If the Acquisition is structured or restructured as a contractual takeover offer (within the meaning of section 974 of the Companies Act), we will no later than the seventh business day after the despatch of the document containing the terms and conditions of the Acquisition (**Offer Document**) validly accept or procure the valid acceptance of the Acquisition in respect of all of the Shares in accordance with the procedure for acceptance set out or referred to in the Offer Document (or, in the case of Shares issued after such time, within five business days of their issue).

1.7 Before this undertaking lapses in accordance with paragraph 6, we will not and will procure that no other person shall:

1.7.1 sell, transfer, charge, encumber, grant any option over or otherwise dispose of all or any of the Shares (other than to the Bidder) or any interest therein or enter into any agreement or arrangement which might restrict a disposal to the Bidder;

1.7.2 accept any other offer in respect of all or any of the Shares, whether conditionally or unconditionally (by whatever means the same is to be implemented);

1.7.3 withdraw any form of proxy referred to in paragraph 1.5 or any acceptance referred to in paragraph 1.6 in respect of all or any of the Shares notwithstanding that we may have become entitled to withdraw it by virtue of the Takeover Code (or any provision in the Scheme Document or Offer Document to that effect);

1.7.4 acquire any further interests in or otherwise deal in any securities of the Target or the Bidder or any interest therein (including any derivatives referenced to such securities);

1.7.5 at any time after the Press Announcement, exercise the voting rights attaching to the Shares in any manner which might reasonably be expected to impede or frustrate the Acquisition or prevent a condition to the Acquisition from being satisfied in a material way (which shall include any resolution to approve an alternative scheme of arrangement, merger or acquisition of any shares in the Target by a third party) or which would otherwise impact adversely on the success of the Acquisition; or

1.7.6 enter into any agreement or arrangement or permit any agreement or arrangement to be entered into or incur any obligation or permit any obligation to arise, whether conditional or unconditional, to do any act referred to in this paragraph 1.7.

1.8 Without prejudice to paragraph 1.7, we shall:

1.8.1 exercise (or procure the exercise of) the voting rights attached to the Shares at any general meeting of members of the Target convened after the Press Announcement as the Bidder may direct in respect of any resolution (whether or not amended) the passing of which assists the implementation of the Acquisition; and

1.8.2 exercise (or procure the exercise of) the voting rights attached to the Shares against any resolution which (i) would reasonably be expected to prevent or delay implementation of the Scheme; or (ii) purports to approve or give effect to (and we will agree not to be bound by) a proposal by a person other than the Bidder, to acquire (or have issued to it) shares in the Target (whether by way of an offer or a scheme of arrangement or otherwise) or any assets of the Target.

1.9 We have been given an adequate opportunity to consider whether or not to execute this undertaking and to obtain independent legal advice.

2. We consent to the issue of the Press Announcement in the terms attached or amended as specified above. We understand that, in accordance with the Takeover Code, particulars of this undertaking will be contained in the Offer Document or Scheme Document (as appropriate) and also that a copy of this undertaking may be disclosed to the Panel and will be available for inspection on the Company's website during the period in which the offer is open for acceptance (or, in the case of a Scheme, until its effective date). We will supply promptly all information, including details of our interests and dealings in securities of the Bidder and the Target and those of any connected persons, as may be required for the Offer Document or Scheme Document (as appropriate), and will promptly notify the Bidder of any changes in such information. We undertake that we shall maintain appropriate secrecy about the possibility and details (including the terms and conditions) of the Acquisition and the existence and terms of this undertaking prior to the Press Announcement.

3. Without prejudice to paragraph 1 above, we agree that if we become aware that we will not be able to comply with the terms of this undertaking, or we no longer intend to do so, that we shall, in accordance with Rule 2.10(c) of the Takeover Code, either:

3.1 promptly announce an update of the position together with all relevant details; or

3.2 promptly notify the Bidder, the Target and the Panel of the up-to-date position.

Target board recommendation

4. The Bidder reserves the right not to release the Press Announcement unless the board of directors of the Target agree to recommend the Acquisition.

No obligation to proceed with the Acquisition

5. We acknowledge that the release of the Press Announcement is at the Bidder's absolute discretion and that the Bidder shall not be required to announce or (subject to the stipulations of the Panel) proceed with the Acquisition.

Lapse of undertaking

6. This undertaking shall lapse and we shall cease to be bound by the obligations in this undertaking if:

6.1 the Bidder announces, with the consent of the Panel, that it does not intend to proceed with the Acquisition and no new, revised or replacement offer is announced by the Bidder in accordance with Rule 2.7 of the Takeover Code at the same time;

6.2 the Press Announcement is not released by 5 p.m. on 31 May 2024 (or such later time and date as the Bidder and the Target may agree); or

6.3 the Scheme Document or Offer Document (as applicable) is not published within 28 days of the date of issue of the Press Announcement or such later time as may be agreed by the Panel. If the Bidder elects in the Press Announcement to implement the Acquisition by way of a Scheme and subsequently elects to implement the Acquisition by way of a Takeover Offer this paragraph 6.3 shall automatically be extended so that termination will occur if an Offer Document is not posted within 28 days of the date of the press announcement advising that the Acquisition is to be structured as a Takeover Offer as opposed to a Scheme or such later time as may be agreed by the Panel;

6.4 if the Acquisition is structured as a Scheme, the Scheme has not become effective by 5 p.m. on 31 December 2024 (or such later time and date as the Bidder and the Target may agree with the approval of the Court and/or the Panel if required);

6.5 any competing offer for the entire issued and to be issued share capital of the Target is declared unconditional or any competing scheme of arrangement in respect of the Target becomes effective in accordance with its terms; or

6.6 the Acquisition lapses or is withdrawn and no new, revised or replacement offer or scheme has then been announced in its place in accordance with Rule 2.7 of the Takeover Code, or is announced by the Bidder in accordance with Rule 2.7 of the Takeover Code within five business days.

Power of attorney

7. In order to secure the performance of our obligations under this undertaking, we hereby irrevocably appoint the Bidder (with power to delegate the performance of its powers and rights under this appointment (other than this power of delegation) to any director for the time being of the Bidder) to be our attorney in our name and on our behalf to execute and deliver any form or forms of acceptance or form or forms of proxy and/or such other documents, and to do such other acts and things as may be necessary for, or incidental to, the acceptance (or the procurement of the acceptance of) the Acquisition in respect of the Shares, the transfer of the Shares to the Bidder pursuant to the Acquisition and/or the performance of our obligations under this undertaking and we declare that this power of attorney shall be irrevocable in accordance with section 4 of the Powers of Attorney Act 1971 provided however that such appointment shall not take effect until the expiry of seven days from the date of despatch of the Offer Document or Scheme Document (as appropriate) and only then if we shall have failed to comply with our obligations in this undertaking.

Before this time we will not use any such information as a base for our behaviour in relation to the securities of either the Bidder or the Target which would amount to market abuse for the purposes of the UK version of the EU Market Abuse Regulation (2014/596/EU) which is part of UK law by virtue of the European Union (Withdrawal) Act 2018.

9. We acknowledge that the matters referred to in this undertaking constitute inside information for the purposes of the Criminal Justice Act 1993 and the Financial Services and Markets Act 2000 and consent to receiving it.

Without prejudice to any other rights or remedies of the Bidder, we agree that, if we fail to perform our obligations in accordance with this undertaking or breach any of our obligations, damages would not be an adequate remedy and accordingly the Bidder shall be entitled to the remedy of specific performance or any other equitable relief.

FOR IMMEDIATE RELEASE

RECOMMENDED ALL SHARE OFFER

FOR

CYKEL AI PLC

BY

MUSTANG ENERGY PLC

to be implemented by means of a scheme of arrangement

under Part 26 of the Companies Act 2006

Summary

- The boards of Mustang Energy Plc ("Mustang") and Cykel AI Plc ("Cykel") are pleased to announce that they have reached agreement on the terms of a recommended all share offer to be made by Mustang to acquire the entire issued and to be issued ordinary share capital of Cykel (the "Offer" or the "Acquisition"). It is intended that the Acquisition be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the "Scheme") between Cykel and Cykel Shareholders (or, if Mustang so elects, with the consent of the Panel, a Takeover Offer).

- Under the terms of the Acquisition, each Cykel Shareholder will be entitled to receive:

1.911 New Mustang Shares in exchange for each 1 Cykel Share

Based on this exchange ratio ("Exchange Ratio") and a valuation of £1 million for the current entire issued share capital of Mustang, the Acquisition implies an offer value of 9.37 pence per Scheme Share and values the entire issued ordinary share capital of Cykel at approximately £19.22 million.

On this basis, the Acquisition represents:

- A premium of approximately 1.30% to the Closing Price of 9.25 pence per Cykel Share on 17 January 2024 (being the last Business Day prior to the suspension of trading in Cykel Shares); and
- A discount of approximately 3.20% to the three-month (less one week) VWAP of 9.68 pence per Cykel Share on 17 January 2024 (being the last Business Day prior to the suspension of trading in Cykel Shares).

Background to and reasons for the Acquisition

The Cykel Board and the Mustang Board believe that there is a compelling strategic and financial rationale for the Acquisition which will benefit the shareholders, clients, commercial counterparties and other stakeholders of the Combined Group.

Cykel was incorporated on 22 August 2023 and was admitted to trading on the Access segment of the Aquis Stock Exchange Growth Market on 25 October 2023. Trading in the Cykel Shares was suspended on 18 January 2024 due to the transformational nature of the Acquisition.

Cykel is an early stage company that intends to grow quickly through the operation of a software business engaged in the development of advanced artificial intelligence (AI) products, aiming to offer these to consumers through a "software as a service" (SaaS) model.

The rise of potent Natural Language Processing (NLP) text generators, exemplified by OpenAI's "GPT-4", will serve as a catalyst for the widespread adoption of AI-driven business applications. As NLP-based text generators gain mainstream prominence, Cykel anticipates organisations embracing specialised "value add" applications that augment their business operations. This strategic orientation underscores Cykel's expectation of a burgeoning market for business applications propelled by the maturation of NLP technology.

Cykel has developed an AI-Powered Task Operating System as a Google Chrome extension. This core software, including all front and back-end coding, integration work with third party providers, and publishing of Cykel's extension was completed in Q4 2023. Cykel's AI-Powered Task Operating System (Task OS) is designed to bring AI capabilities to the world of task management, providing users with a platform for streamlined workflows, intelligent task prioritisation and cross-platform integration.

Mustang was formed to undertake an acquisition of a target company, business or asset(s) with operations in the energy or natural resources sectors. As a result of the global COVID-19 pandemic, Mustang announced that it would expand its search for appropriate acquisition targets to the entire value chain of the energy industry and would also consider potential acquisitions outside of the energy and natural resources industries.

The Combined Group intends to expand in the following areas:

- B2B Sales: Cykel intends to market directly to B2B companies and expand its marketing in the UK, Europe and North America. The goal is to grow a client base materially in 2024 based on the successful launch of the product in Q1 2024.

- Partnerships: Cykel intends to market through partnerships with organisations that are selling to the B2B software market.

- Technology: Cykel intends to offer more software features as it expands its client base. The technology roadmap will be driven primarily by user feedback from both customers and project partners.

Cykel's AI software aims to be available on a "freemium" basis. As such, the basic usage tier will be free, but Software as a Service fees will be incurred over a certain amount of requests per month.

The Cykel Directors and the Mustang Directors believe that the Combined Group's admission to the Main Market will not only enable greater liquidity of the Combined Group's shares, but also will enhance the Combined Group's corporate profile, which would in turn enhance the Combined Group in its market perception, contracting with third parties and attracting talent.

The Acquisition would allow the Cykel Shareholders to exchange their Cykel Shares for New Mustang Shares, being shares in the Combined Group. Upon completion of the Acquisition, the Combined Group will be admitted to the Main Market. The Cykel Directors believe that the Cykel Shareholders will achieve greater liquidity by holding shares in the Combined Group, rather than in Cykel alone. The Acquisition is an opportunity to achieve an admission to listing on the Official List and trading on the Main Market earlier than the Cykel Directors initially expected.

Commenting on today's announcement, Alan Broome, Chairman of Mustang, said:

"The Acquisition presents an exciting opportunity for Mustang shareholders to engage in the burgeoning growth of a dynamic, young company. Cykel's innovative AI-Powered Task Operating System stands poised to revolutionise organisational efficiency, automating repetitive tasks and furnishing invaluable data-driven insights for strategic decision-making. We firmly believe this Acquisition aligns with our strategic objectives and offers compelling financial prospects for our shareholders."

Commenting on today's announcement, Jonathan Bixby, Executive Chairman of Cykel, said:

We are very excited about the prospects of trading on the London Stock Exchange. The field of Artificial Intelligence is one of the most exciting technology trends in the world and allowing more investors access to this trend is a positive outcome for Cykel and our shareholders.

- As set out above, Mustang has received irrevocable undertakings from the Cykel Directors in respect of their own beneficial holdings of 53,500,000 Cykel Shares, representing approximately 26.07% of the Cykel Shares in issue as at the Latest Practicable Date.

- In aggregate, Mustang has received irrevocable undertakings from the Cykel Directors and certain other Cykel Shareholders to vote or procure votes in favour of the Scheme at the Court Meeting and the Resolution to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of a total of 112,000,000 Cykel Shares, representing, in aggregate, approximately 54.58% of the Cykel Shares in issue as at the Latest Practicable Date. These undertakings will remain binding in the event of a competing offer being made.

The combined total is therefore in respect of 5,171,600 shares, representing 42.52% of the Mustang Shares in issue as at the Latest Practicable Date.

- Full details of the irrevocable undertakings received by Mustang are set out in Appendix 3 to this announcement.

Timetable and conditions

- The Acquisition will be implemented by way of the Scheme (or if Mustang so elects and with the consent of the Panel, a Takeover Offer).

- The purpose of the Scheme is to provide for Mustang to become the owner of the entire issued and to be issued ordinary share capital of Cykel. This is to be achieved by transferring the Scheme Shares held by Scheme Shareholders to Mustang, in consideration for which Mustang will allot and issue the New Mustang Shares to the Scheme Shareholders on the basis of 1.911 New Mustang Shares for each 1 Cykel Share.

- In order to allot and issue the New Mustang Shares, Mustang is required to publish the Prospectus and seek the approval of the Mustang Shareholders of the Mustang Resolutions at the Mustang General Meeting. The Acquisition is accordingly conditional on the approval of the Mustang Shareholders of the Mustang Resolutions.

- The Scheme will be put to Scheme Shareholders at the Court Meeting and to the Cykel Shareholders at the General Meeting. In order to become Effective, the Scheme must be approved by a majority in number of the Scheme Shareholders voting at the Court Meeting, either in person or by proxy, representing at least 75% in value of the Scheme Shares voted. In addition, the implementation of the Scheme must also be approved by Cykel Shareholders at the General Meeting.

- The Acquisition will be on the terms and subject to the Conditions and certain further terms set out in Appendix 1 to this announcement, including, among other things: (a) the Admission Condition having been satisfied; (b) the approval of the Mustang Resolutions by the Mustang Shareholders at the Mustang General Meeting; (c) the approval of Scheme Shareholders at the Court Meeting and the passing of the Resolution by the Cykel Shareholders at the General Meeting; (d) the sanction of the Scheme by the Court; and (e) the Scheme becoming Effective no later than the Long Stop Date.

- The Scheme Document will include full details of the Scheme, together with an explanatory statement providing details of the Offer, and the notices convening the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable of the Acquisition and will specify the necessary actions to be taken by Cykel Shareholders. The Scheme Document will be sent to Cykel Shareholders within 28 days of the date of this announcement (or such later date as Cykel, Mustang and the Panel agree).

- Mustang expects to send the Mustang Circular and the Prospectus to Mustang Shareholders on or around the date of the Scheme Document, summarising the background to, and reasons for, the Acquisition, and including a notice convening the Mustang General Meeting.
- The Acquisition is currently expected to become Effective during the second quarter of 2024, subject to the satisfaction or waiver of the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions of the Offer which will be set out in the Scheme Document.

FOR IMMEDIATE RELEASE

10 May 2024

RECOMMENDED ALL SHARE OFFER

FOR

CYKEL AI PLC

BY

MUSTANG ENERGY PLC

to be effected by means of a scheme of arrangement

under Part 26 of the Companies Act 2006

1 Introduction

The boards of Mustang Energy Plc ("Mustang") and Cykel AI Plc ("Cykel") are pleased to announce that they have reached agreement on the terms and conditions of a recommended all share offer to be made by Mustang to acquire the entire issued and to be issued ordinary share capital of Cykel (the "Offer" or the "Acquisition"). It is intended that the Acquisition be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the "Scheme"). Mustang reserves the right to elect, with the consent of the Panel, to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme.

2 The Acquisition

Under the terms of the Acquisition, each Cykel Shareholder will be entitled to receive:

1.911 New Mustang Shares in exchange for each 1 Cykel Share

Based on this exchange ratio ("Exchange Ratio") and a valuation of £1 million for the current entire issued share capital of Mustang, the Acquisition implies an offer value of 9.37 pence per Scheme Share and values the entire issued ordinary share capital of Cykel at approximately £19.22 million.

On this basis, the Acquisition represents:

- A premium of approximately 1.30% to the Closing Price of 9.25 pence per Cykel Share on 17 January 2024 (being the last Business Day prior to the suspension of trading in Cykel Shares); and
- A discount of approximately 3.20% to the three-month (less one week) VWAP of 9.68 pence per Cykel Share on 17 January 2024 (being the last Business Day prior to the suspension of trading in Cykel Shares).

Upon completion of the Acquisition, Cykel Shareholders will hold approximately 95.05% of the entire issued ordinary share capital of the Combined Group and Mustang Shareholders will hold approximately 4.95% of the entire issued ordinary share capital of the Combined Group (based on the existing issued ordinary share capital of Cykel and of Mustang, in each case as at the Latest Practicable Date).

The New Mustang Shares to be issued to Scheme Shareholders pursuant to the Scheme will be issued credited as fully paid and will rank *pari passu* in all respects with the Mustang Shares in issue at the time the New Mustang Shares are issued pursuant to the Scheme, including the right to receive all dividends and other distributions declared, made or paid on Mustang Shares by reference to a record date falling on or after the Effective Date (but will not, for the avoidance of doubt, carry the right to receive any dividends and other distributions for which the record date is before the Effective Date).

Fractions of New Mustang Shares will not be issued to Scheme Shareholders and entitlements will be rounded down to the nearest whole number of New Mustang Shares so that all fractions of New Mustang Shares will be disregarded.

The New Mustang Shares will be issued in registered form and will be capable of being held in both certificated form and uncertificated form.

Application will be made to the FCA and the London Stock Exchange for the New Mustang Shares to be admitted to listing on the Official List and to trading on the Main Market. It is expected that Admission will become effective, and that dealings for normal settlement in the New Mustang Shares will commence, at 8.00 am on the Business Day immediately following the Effective Date.

Subject to the Conditions and further terms set out in Appendix 1 to this announcement and to be set out in full in the Scheme Document, the Scheme Shares will be acquired by Mustang fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests of any nature and together with all rights existing at the date of this announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (if any), made on or after the date of this announcement in respect of the Cykel Shares.

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this announcement, including, among other things: (a) the Admission Condition having been satisfied; (b) the approval of the Mustang Resolutions by the Mustang Shareholders at the Mustang General Meeting; (c) the approval of Scheme Shareholders at the Court Meeting and the passing of the Resolution by the Cykel Shareholders at the General Meeting; (d) the sanction of the Scheme by the Court; and (e) the Scheme becoming Effective no later than the Long Stop Date. In order to become Effective, the Scheme must be approved by a majority in number of Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy, at the Court Meeting representing at least 75% in value of the Scheme Shares voted by such holders.

The Scheme Document will include full details of the Scheme, together with an explanatory statement providing details of the Offer, and the notices convening the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable of the Acquisition and will specify the necessary actions to be taken by Cykel Shareholders. The Scheme Document will be sent to Cykel Shareholders within 28 days of the date of this announcement (or such later date as Cykel, Mustang and the Panel agree).

Mustang expects to send the Mustang Circular and the Prospectus to Mustang Shareholders on or around the date of the Scheme Document, summarising the background to, and reasons for, the Acquisition, and including a notice convening the Mustang General Meeting.

3 Background to and reasons for the Acquisition

The Cykel Board and the Mustang Board believe that there is a compelling strategic and financial rationale for the Acquisition which will benefit the shareholders, clients, commercial counterparties and other stakeholders of the Combined Group.

Cykel was incorporated on 22 August 2023 and was admitted to trading on the Access segment of the Aquis Stock Exchange Growth Market on 25 October 2023. Trading in the Cykel Shares was suspended on 18 January 2024 due to the transformational nature of the Acquisition.

Cykel is an early stage company that intends to grow quickly through the operation of a software business engaged in the development of advanced artificial intelligence (AI) products, aiming to offer these to consumers through a "software as a service" (SaaS) model.

The rise of potent Natural Language Processing (NLP) text generators, exemplified by OpenAI's "GPT-4", is believed to serve as a catalyst for the widespread adoption of AI-driven business applications. As NLP-based text generators gain mainstream prominence, Cykel anticipates organisations embracing specialised "value add" applications that augment their business operations. This strategic orientation underscores Cykel's expectation of a burgeoning market for business applications propelled by the maturation of NLP technology.

Cykel has developed an AI-Powered Task Operating System as a Google Chrome extension. This core software, including all front and back end coding, integration work with third party providers, and publishing of Cykel's extension was completed in Q4 2023. Cykel's AI-Powered Task Operating System (Task OS) is designed to bring AI capabilities to the world of task management, providing users with a platform for streamlined workflows, intelligent task prioritisation, and cross-platform integration.

Mustang was formed to undertake an acquisition of a target company, business or asset(s) with operations in the energy or natural resources sectors. As a result of the global COVID-19 pandemic, Mustang announced that it would expand its search for appropriate acquisition targets to the entire value chain of the energy industry and would also consider potential acquisitions outside of the energy and natural resources industries.

The Combined Group intends to expand in the following areas:

- B2B Sales: Cykel intends to market directly to B2B companies and expand its marketing in the UK, Europe and North America. The goal is to grow a client base materially in 2024 based on the successful launch of the product in Q1 2024.

- Partnerships: Cykel intends to market through partnerships with organisations that are selling to the B2B software market.

- Technology: Cykel intends to offer more software features as it expands its client base. The technology roadmap will be driven primarily by user feedback from both customers and project partners.

Cykel's AI software aims to be available on a "freemium" basis. As such, the basic usage tier will be free, but Software as a Service fees will be incurred over a certain amount of requests per month.

The Cykel Directors and the Mustang Directors believe that the Combined Group's admission to the Main Market will not only enable greater liquidity of the Combined Group's shares, but also will enhance the Combined Group's corporate profile, which would in turn enhance the Combined Group in its market perception, contracting with third parties and attracting talent.

The Acquisition would allow the Cykel Shareholders to exchange their Cykel Shares for New Mustang Shares, being shares in the Combined Group. Upon completion of the Acquisition, the Combined Group will be admitted to the Main Market. The Cykel Directors believe that the Cykel Shareholders will achieve greater liquidity by holding shares in the Combined Group, rather than in Cykel alone. The Acquisition is an opportunity to achieve an admission to listing on the Official List and trading on the Main Market earlier than the Cykel Directors initially expected.

Upon completion of the Acquisition and the admission to trading on the Official List, the Mustang Directors will resign and the Cykel Directors will be appointed to the board of the Combined Group. The Mustang Concert Party and Cykel Directors have no intention to change:

(i) the future business for the Combined Group, including research and development. The Acquisition will not have any impact on the current activities of Cykel. The Combined Group will undertake the activities of Cykel;

(ii) the employees or pension schemes of the Combined Group. As at the date of this announcement, Mustang only has one employee, who is also a Mustang Director, and who will resign on completion of the Acquisition and the admission of the Combined Group to trading on the Official List, and it does not have any pension schemes. Other than as aforementioned, the Acquisition is not expected to have any repercussions on employment or pensions for the Combined Group. The Combined Group will be led by Cykel Directors who will be appointed at Admission and the Mustang Directors will resign;

(iii) the strategic plans for the Combined Group's places of business, including on the location of the headquarters;

(iv) employer contributions into any pension scheme(s), the accrual of benefits for existing members, or the admission of new members. As at the date of this announcement, neither Mustang nor Cykel has any pension schemes;

(v) redeployment of the Combined Group's fixed assets; and/or

(vi) the continuation of the Mustang Shares being admitted to listing on the standard listing segment of the Official List and to trading on the Main Market (subject to Admission occurring).

4 Background to and reasons for the recommendation

The Cykel Directors and the Mustang Directors believe that the Acquisition will deliver material value for both sets of shareholders and that there is a compelling strategic and financial rationale for the Acquisition which will benefit the shareholders, clients, commercial counterparties and other stakeholders of the Combined Group. The Cykel Directors and the Mustang Directors believe that the Acquisition is an opportunity for the Combined Group to achieve readmission to listing on the Official List and to trading on the Main Market on the basis of the Transitional Rules, following which the Combined Group will be well placed to carry out Cykel's business strategy.

5 Recommendation

The Mustang Directors, who have been so advised by Guild Financial as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Mustang Directors, Guild has taken into account the commercial assessments of the Company Directors. Guild is providing independent financial advice to the Mustang Directors for the purpose of Rule 3 of the Takeover Code.

The Cykel Directors, who have been so advised by Capital Plus Partners as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable and in the best interests of the Cykel Shareholders taken as a whole. In providing its advice to the Cykel Directors, Capital Plus Partners has taken into account the commercial assessments of the Cykel Directors. Capital Plus Partners is providing independent financial advice to the Cykel Directors for the purpose of Rule 3 of the Takeover Code.

Accordingly, the Cykel Directors unanimously recommend that the Cykel Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and the Resolution to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer), as all the Cykel Directors holding Cykel Shares have irrevocably undertaken to do in respect of their own beneficial holdings of 53,500,000 Cykel Shares (representing, in aggregate, approximately 26.07% of the Cykel Shares in issue on the Latest Practicable Date).

6 Irrevocable undertakings

In addition to the irrevocable undertakings from the Cykel Directors, Mustang has received irrevocable undertakings from certain other Cykel Shareholders to vote or procure votes in favour of the Scheme at the Court Meeting and the Resolution to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of 58,500,000 Cykel Shares, representing approximately 28.15% of the Cykel Shares in issue as the Latest Practicable Date.
In aggregate, Mustang has received irrevocable undertakings to vote or procure votes in favour of the Acquisition in respect of 112,000,000 Cykel Shares, representing, in aggregate, approximately 54.58% of the Cykel Shares in issue as at the Latest Practicable Date.

In addition to the irrevocable undertakings noted above, Mustang has received irrevocable undertakings to vote or procure the vote in favour of the Mustang Resolutions in respect of 5,171,600 Mustang Shares, representing 45.52% of the Mustang Shares in issue as at the Latest Practicable Date.

Full details of the irrevocable undertakings received by Mustang are set out in Appendix 3 to this announcement.

7 Information on Mustang

Mustang was formed to undertake an acquisition of a target company, business or asset(s) with operations in the energy or natural resources sectors. As a result of the global COVID-19 pandemic, Mustang announced that it would expand its search for appropriate acquisition targets to the entire value chain of the energy industry and would also consider potential acquisitions outside of the energy and natural resources industries.

On 29 July 2019, Mustang completed its IPO and was admitted to listing on the Official List by way of a Standard Listing and to trading on the Main Market. Mustang raised £750,000 (before expenses) in conjunction with the IPO through a placing.

In March 2021, Mustang completed a placing raising gross proceeds of £167,160.

Mustang attempted an acquisition of VRFB Holdings Limited. On 9 August 2023, Mustang announced that it was unable to meet the conditions of that proposed acquisition, and the conditional acquisition agreements therefore terminated.

The Acquisition will allow Mustang to carry out the purpose for which it was incorporated and admitted to listing on the Official List and to trading on the Main Market.

Further details in relation to Mustang will be contained in the Scheme Document.

8 Information on Cykel

Cykel is an early stage company that intends to grow quickly through the operation of a software business engaged in the development of advanced artificial intelligence (AI) products, aiming to offer these to consumers through a “software as a service” (SaaS) model. Cykel intends to leverage the expertise of its board of directors, software development experience and networks in the technology sector including companies like IronPoint Technologies (sold to the Active Network), Strangeloop Networks (sold to Radware) and CTO AI Inc. to drive value creation and to establish the business. In addition, Cykel Directors believe it has a proven capability in transaction origination and strategic business plan execution to achieve significant growth.

In September 2023, Cykel raised initial capital of c. £568,500, which enabled it to formulate its business plan, specifically for product development, marketing and operations. On 25 October 2023 Cykel was admitted to trading on the Access Segment of the Aquis Stock Exchange Growth Market and raised £1,750,000.50 through its fundraise. Trading in the Cykel Shares was suspended on 18 January 2024 due to the transformational nature of the Acquisition.

Cykel has developed an AI-Powered Task Operating System as a Google Chrome extension. As announced by Cykel on 4 December 2023, this core software, including all front and back end coding, integration work with third party providers, and publishing of Cykel’s extension was completed in Q4 2023. Cykel’s AI-Powered Task

Operating System (Task OS) is designed to bring AI capabilities to the world of task management, providing users with a platform for streamlined workflows, intelligent task prioritisation, and cross-platform integration.

Following successful completion of the "version one" development, Cykel entered into the "beta launch" stage of its software in December 2023, with a "VIP" product launch for 5 beta clients. Following the "VIP" product launch, Cykel intends to complete a full product launch of the software, to occur in Q2 2024.

9 Conditions to the Scheme and the Acquisition

It is intended that the Acquisition will be effected by means of a Court-sanctioned scheme of arrangement between Cykel and the Scheme Shareholders under Part 26 of the Companies Act, although Mustang reserves the right to elect (with the consent of the Panel) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme.

The effect of the Scheme is to provide for Mustang to become the holder of the entire issued and to be issued ordinary share capital of Cykel. To become Effective, the Scheme must be approved at the Court Meeting by a majority in number of Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy, at the Court Meeting and who represent 75 per cent or more in value of the Scheme Shares voted by those Scheme Shareholders. In respect of the approval of the Scheme, Scheme Shareholders will be entitled to cast one vote for each Scheme Share held. The Scheme also requires the Resolution to be approved by the requisite majority of Cykel Shareholders at the General Meeting.

Once the necessary approvals have been obtained at the Mustang General Meeting, the Court Meeting and the General Meeting, and the other Conditions (save for the Condition set out at paragraph 4 of Part A of Appendix 1) have been satisfied or, if applicable, waived, the Scheme must be sanctioned by the Court (with or without modification but subject to any modification being on terms reasonably acceptable to Mustang and Cykel). The Scheme will only become Effective once a copy of the Scheme Court Order is delivered to the Registrar of Companies for registration.

The Acquisition is subject to the Conditions and further terms set out in Appendix 1 to this announcement and to the full terms and conditions that will be set out in the Scheme Document, including, among other things:

a) the Admission Condition having been satisfied;

b) the approval of the Mustang Resolutions by the Mustang Shareholders at the Mustang General Meeting;

c) the Scheme becoming Effective by 11.59 p.m. (London time) on the Long Stop Date (or such later date as may be agreed between Mustang and Cykel and the Panel (and that the Court may allow));

d) the approval of the Scheme by a majority in number of Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy, at the Court Meeting and who represent at least 75% in value of the Scheme Shares voted by such holders;

e) the passing of the Resolution by the requisite majority of Cykel Shareholders at the General Meeting;

f) the sanction of the Scheme by the Court (with or without modification (but subject to such modification being acceptable to Mustang and Cykel)); and

g) a copy of the Scheme Court Order is delivered to the Registrar of Companies.

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting, the General Meeting (and the associated Forms of Proxy) and the expected timetable. It will also specify the action to be taken by Scheme Shareholders.

Subject to the satisfaction of the Conditions, the Scheme is expected to become effective during the second quarter of 2024.

The Scheme will be governed by English law and will be subject to the jurisdiction of the Court and the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the Aquis Rules, the FCA and the Registrar of Companies.

Mustang expects to send the Mustang Circular and the Prospectus to Mustang Shareholders on or around the date of the Scheme Document, summarising the background to, and reasons for, the Acquisition, and including a notice convening the Mustang General Meeting.

10 Right to switch to a Takeover Offer

Mustang reserves the right to elect (with the consent of the Panel) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect the change in method of effecting the Acquisition.

Further, in such circumstances, if sufficient acceptances of the Takeover Offer are received and/or sufficient Cykel Shares are otherwise acquired, it is the intention of Mustang to apply the provisions of the Companies Act to acquire compulsorily any outstanding Cykel Shares to which such Takeover Offer relates.

11 Admission of the New Mustang Shares

Application will be made to the FCA and the London Stock Exchange for the New Mustang Shares to be admitted to listing on the Official List and to trading on the Main Market. It is expected that Admission will become effective and that dealings for normal settlement in the New Mustang Shares will commence at 8.00 am on the first Business Day following the Effective Date.

12 Cancellation of admission to trading on the AQSE Growth Market and re-registration as a private limited company

Trading in the Cykel Shares on the AQSE Growth Market was suspended on 18 January 2024. It is intended that an application will be made to Aquis for the cancellation of admission to trading of Cykel Shares on the AQSE Growth Market, with effect from or shortly after the Effective Date.

Share certificates in respect of Cykel Shares will cease to be valid and should be destroyed on the Effective Date. In addition, entitlements held within CREST to Cykel Shares will be cancelled on the Effective Date.

It is Mustang's intention that, in due course and following the cancellation of admission to trading on the AQSE Growth Market, Cykel will be re-registered as a private limited company.

13 Disclosure of Interests

As at the Latest Practicable Date, neither Mustang, nor any of its directors, nor, so far as Mustang is aware, any person acting in concert (within the meaning of the Takeover Code) with any of them for the purposes of the Acquisition has:

- any interest in or right to subscribe for any relevant securities of Cykel;
- any short positions in respect of relevant securities of Cykel (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery;
- borrowed or lent any relevant securities of Cykel (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code), save for any borrowed relevant securities of Cykel which had been either on-lent or sold; or
- entered into any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code.

"**Interests in securities**" for these purposes and within the meaning of the Takeover Code arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In

particular, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.
